We pray that the blessing of the Heavenly Parent and the True Parents of Heaven, Earth and Humankind will always be with you.

On the twenty-eighth day of the second month by the heavenly calendar, in the 3rd Year of Cheon Il Guk (April 16, solar calendar) True Mother gave the following special instruction to Director Gi-seong Lee and Vice-Director Myong-kwan Lee of the Chung Pyung Heaven and Earth Training Center.

"All blessed families throughout the world should complete their ancestor liberation and blessing up to the 210th generation as quickly as possible, and then must continue up to the 420th generation," adding that "By completing the 420th generation of ancestor liberation and blessing the world situation will change. Those blessed ancestors will actively help their descendants, and amazing miracles will take place."

True Parents of Heaven, Earth and Humankind are encouraging blessed families to complete their ancestor liberation and blessing until the 420th generation in order to simultaneously restore the physical world and the spirit world, centering on the blessed families, and establish the realm of the absolute good lineage of the Heavenly Parent.

Please inform all leaders and members throughout the world of this special instruction, so that all blessed families, upholding the words of the True Parents of Heaven, Earth and Humankind, can complete ancestor liberation and blessing up to the 420th generation. By accomplishing this they can receive the assistance of those ancestors who have become absolute good spirits, receive heavenly fortune and, mobilizing the strength of all blessed families of the spirit world and physical world, progress towards victory of Vision 2020.
