Membership Criteria

Every person, who has a profession, or is in higher education striving for a defined profession, can be a Cranes Club member and who in written form agrees to:

- *Strive through his profession to better serve their communities and the greater society, in accordance with Unification principles.*
- *Agrees to contribute to the Cranes Club through the yearly membership fee*

There is no age requirement, although the Cranes Club specifically targets members of the ages of 22 to 40 with Unificationist background.

The yearly membership fee is €20 (PPP), based on Germany's €20 (PPP)

Thank you!
