Brenda Miller's Seonghwa

Hello, my name is Young Min Miller; I'm raising funds for my mom's Seonghwa (funeral).

She passed away on May 11th, 2022, at 1 pm due to breast cancer. It has been a 3-year long fight against cancer, but eventually, the pain was too much for her spirit. She has beaten cancer multiple times in the past 20 years, but this time, it came back.

All through her life, she fought for Native Americans and minorities; she always played a massive part in organizations such as WFWP and reconciliation groups involving black and white members of our community to reach a consensus.

She wanted 50% of anything raised for her Seonghwa to be donated to a Native American group, and we will honor her wishes by doing just that.

Thank you for the incredible support you have shown my father and me, making this process much more manageable.

Brenda always has an indomitable spirit, and she is often very surprising in her passions such as religiously attending Jahan's Shahi's past investing classes with Jack Her and I. I am very sorry for her passing, and will miss her for now, but will... [Read more](#)
