**"OASIS"**  
**NEW YOUNG ADULT ONLINE EVENT**  
**FIRST ONE !**  
**TODAY !**  
**Wednesday, April 15th, 7-8 pm!**  
**DAVID MOFFITT SPEAKS**

We are introducing a new event **Wednesday, April 15th 7PM TODAY** Many of **you have already heard about this on FaceBook**. We know the current coronavirus situation presents a pretty big obstacle when it comes to feeling connected with friends, community, faith, etc. It feels like a metaphorical desert sometimes.

The goal behind **Oasis** is to create a space where we can still **connect** - virtually! The plan is to have a **Zoom meeting every other Wednesday**, starting today, Wed the 15th. We will have someone from the community (This week DAVID MOFFIT) give a short talk on a relevant topic (this week is FAMILY), and we will split into small groups to catch up and discuss.

**See you on tonight at 7pm!**
