Dear Colleague,

Meet three visionaries who are opening up new possibilities for youth across the Middle East.

Giorgio Gasperoni, magazine editor, co-founded *Soccer for Peace*, which brings young Israelis and Palestinians to play football in Italy.

Robin Graham, Founder of *Peace Club*, works with coaches and young football players, teaching the virtues that build sportsmanship, putting them on the road to becoming "Champions in Life."

Eli Epstein is a businessman who created *Children of Abraham*, an internet-based initiative which helps young Muslims and Jews to discover their common heritage and practices. Mr. Epstein also initiated a program to offer the Torah to the highest leadership in the United Arab Emirates.
