21-Days with True Mother Condition

Dear Brothers and Sisters,

Women's Federation for World Peace has an incredibly important role in developing the witnessing environment centered on the restoration of women. Internally, however, we also have an important role to be Ambassadors for our True Mother and to be deeply connected to her heart. In order to support this internal role, WFWP USA will be hosting a 21-day condition focusing on understanding the heart of our True Mother.

From April 9-28 we will join together by zoom from 9:00- 9:30 PM ET each day. Together we will read passages from True Mother's most recent speeches, discuss, and pray together. Each day will highlight 1st and 2nd Generation women discussing and praying together centered on our True Mother. We hope these 21 days will bring each of us closer to our True Mother and bring her great hope and comfort knowing we are standing proudly with her.

We invite you to join us for this condition entitled "21 Days with True Mother." Although this condition is hosted by WFWP, we invite all men and women to participate as their schedule allows. Recordings will also be made available

through the registration link below.

The prayer points and focus of this condition are:

- To understand and fully unite with the heart of True Mother
- To lay the foundation for strong intergenerational unity and teamwork
- To strengthen, deepen and expand the network of women in WFWP USA
