Dear WFWP-GWPB members, friends, and supporters,

This is a friendly reminder that the GWPB will be hosting a webinar today, December 11, at 5 PM PST / 8 PM EST on the theme "Empathy and Action: The Art of Giving and Forgetting." We invite you to RSVP below!

As we embrace the spirit of giving during the holiday season, we invite you to join **WFWP USA's upcoming GWPN webinar. Grounded in the principles of WFWP USA** founder, Mother Moon, a dedicated advocate for peace, global education, and humanitarian initiatives throughout her lifetime, the webinar will examine the impact of selfless giving on both the individual and the wider society.

In a season often associated with generosity, WFWP USA aims to go beyond the norm, focusing on the intentional act of giving without expecting anything in return. Moreover, we will delve into the transformative concept of consciously forgetting about this investment, encouraging participants to exceed their perceived limits of generosity.

Speakers will reflect on the circular nature of giving, recognizing its power to bring joy, renewal, and a profound sense of purpose in their work. By emphasizing the art of giving and forgetting, we aim to highlight its potential to elevate impact, fostering a spirit of generosity that transcends expectations.

Don't miss this opportunity to explore the deeper dimensions of giving and discover how the intentional act of forgetting can amplify the positive ripple effect of our actions. Join us as we celebrate the season of giving with a focus on empathy, action, and the transformative art of giving and forgetting.

Click below to RSVP to the Zoom event.

Sincerely,
WFWP-GWPN USA
