Check out our wish-list: let's elevate more inspirational women!

Since launching the **WFWP's Global Women's Peace Network**, with the support of amazing peace-loving people like you, we have been able to highlight the work of many inspiring women leaders, from various fields, from business to the arts. Their contributions to the Culture of Peace were elevated and reached a wide audience through the HerStory award program and virtual seminars.

Today your gift to keep this good work going in 2024 will be doubled!
Help us claim a donation pledge of up to \$5000!

Double my donation, double my impact!

It has become clear that the GWPN is meeting a very real need for

purpose and connection felt by women across the nation. And our wish this season is to bring what was built in the online sphere to the local in-person sphere!

Local hubs of GWPN activity will address the needs of their communities through tailored service projects and sharing the stories and work of local HerStory award recipients. Will you grant us this wish with [your kind \(doubled!\) donation](#), for a bright and impactful new year of women empowered to use their voices and talents for peacebuilding?
