We have a big dream, which we know you share, of families and communities whole, healthy, and connected. Working together for one another's happiness. And just as family is incomplete without mother, our world is incomplete without educated, elevated, empowered **Women of Peace!**

I want to give to empower women peace leaders!

Please help grant our wish this season to continue reaching and connecting women who love and serve in diverse ways. **Together we can do so much** to meet real needs and heal hurting hearts.

May love and joy be yours this season; thank you for your generosity!

A Woman's Touch is the Missing Piece in Peacebuilding

It's time to be a hero to women across the nation!

Tuesday, November 28th kicks off an annual Season of Giving that is sure to be incredible.

Your generous gift helps to further our goals and initiatives in 2024 as well as develop and spread this message: that women Leading with Heart in their families, communities, and the world are the partners the world needs.

Give today to provide the missing piece in peacebuilding: uplifting education for women and families in 2024!

The Women's Federation for World Peace is a non-governmental organization in General Consultative Status with the Economic and Social Council of the United Nations and in association with UN Department of Public Information.
