Dear WFWP-GWPN members, friends, and supporters,

This is a friendly reminder that the GWPN will be hosting a webinar tomorrow, January 25, at 5 PM PST / 8 PM EST on the theme "Self Expansion: What It Takes To Achieve Your Dreams". We invite you to RSVP below!

As we step into a new year, January stands as a symbolic gateway—a time for setting goals, envisioning growth, and embarking on transformative journeys. We embrace the spirit of January, intertwining the theme of personal development with narratives of spirituality and perseverance.

As a refugee, peacemaker, and global citizen, Mother Moon, founder of WFWP USA, is well-acquainted with the journey of spiritual growth and transformation. Her experiences reflect the challenges inherent in personal development, emphasizing that obstacles are not hindrances but rather stepping stones toward becoming true human beings. In this webinar, we will explore her peace philosophy, particularly focusing on the skill of self-expansion as a tool for realizing our original dreams. Additionally, **leaders from our Global Women’s Peace Network will share their experiences and insights on inner resilience, spirituality, and the unwavering pursuit of self-expansion.**

Join us in this opportune moment to explore the deeper dimensions of growth—beyond the tangible aspirations, delving into the resilience required to navigate the inevitable obstacles along the way.

Click below to RSVP to the Zoom event.

Sincerely,  
WFWP-GWPN USA
