Dear WFWP-GWPN members, friends, and supporters,

This is a friendly reminder that the GWPN will be hosting a webinar tomorrow, February 22, at 5 PM PST / 8 PM EST on the theme "Religion & Spirituality: What is the destination?". We invite you to RSVP below!

The first week of February is marked as World Interfaith Harmony Week, which was created by the United Nations in 2010 to empower faiths in promoting a culture of peace and harmony. In recognition of this week, WFWP USA is holding a GWPN forum on the theme "Religion & Spirituality: What's the Destination?".

Religions have long been driving forces that have shaped civilizations and safeguarded the human conscience across ages, however, western society is seeing a drastic decline in the influence of religion. In light of this, we must consider: what is the goal of religion and do we see this purpose reflected in our society?

**Guided by the peace philosophy of WFWP USA's founder, Mother Moon, who has partnered with leaders of all faith traditions, we advocate for a concerted effort of all religious and spiritual people to transcend denominational boundaries and foster a more peaceful world as envisioned by our Creator. The bedrock of healthy societies, transcending races, nations, and religions, lies in the universal spiritual principles embraced by all religions.**

This upcoming GWPN forum will discuss the purpose of religion and spirituality as well as how our spiritual communities could do more to achieve that purpose. Join us for an insightful journey as we explore the viewpoints of various spiritual practices and consider what we can do to build a more peaceful world, together.

Click below to RSVP to the Zoom event.

Sincerely,  
WFWP-GWPN USA
