## **7 Day Divine Principle Seminar in French**

Jean Francois Moulinet

April 12, 2015

---

### **Dear Brothers and Sisters!**

We are happy to announce that the Unification Church in France will hold a 7-Day Divine Principle workshop for 1st and 2nd Gen (14 years up) to refresh and deepen our life of faith. This workshop will take place in Chamarande training centre, 45 minutes from Paris.

**The workshop fee is 70 euros for the whole 7 days, including accommodation and food, which makes the workshop attractive for small budgets, without jeopardizing the quality of services available. It is a generous offering of the French Movement to consider.**

The program includes the study of all the chapters of the Divine Principle in French, with a translation into English available. Moreover, there will be internal guidance every morning and some explanation about the Blessing and the life course of True Parents. A prayer vigil will be held during the workshop.

We intend the workshop to empower our members and guests in two ways. First, we would like them to improve their relationship with God and True Parents. Second, we want them to understand the necessity of establishing God's lineage on earth through the Blessing, as the major way to establish Cheonilguk.

Chamarande training centre has some facilities for outdoor activities, and near the training centre, we can have nice walks and sharings in the park of the castle of Chamarande, which is very famous.

The lectures will be given by Didier Guignard, Michel Beauvais, Richard Affi and Laurent Ladouce.

The program will start on **Sunday April 19** at 7 p.m. and will conclude on **Saturday April 25** at 1 p.m.

Participants: 14 years and up, 1st and 2nd generation, guests and members as well.
