Double Your Impact for the White House Annex- Through April 15

Dear Brothers and Sisters,

I'm reaching out with a special opportunity to strengthen and restore an important part of our Belvedere home: the White House Annex.

For those who don't know this space was used by the Leda project for many years. In the past year the space has been utilized by our youth for sleepovers, the next gen missionary team, and other public purposes. It is a space with a lot of potential; however, it is in desperate need of repairs. Our goal is to raise \$5,000 to help make these improvements. We have already invested substantially to redo the roof and the plumbing.

Especially now we want to make extra space on the White House property so that Rev. Kikuchi's family can move from Japan, therefore, time is short to make the necessary improvements.

Here's the exciting part:

For the next month, the Northeast Region will match every gift dollar-for-dollar, up to the first \$2,000.

That means every donation made by April 15 can have twice the impact.

This matching opportunity gives us a chance to build momentum together. Early gifts help us get closer to the goal faster, encourage others to give, and make the most of the available match.

Our Goal: \$5,000

Matching Funds Available: Up to \$2,000

Deadline to maximize the match: April 15

Whether your gift is large or small, it matters. When many people participate, it becomes a real expression of shared ownership and care for our community.

How to Give:

Please include the memo: WhiteHouse Annex Repairs

If you have been blessed by this community and want to help care for one of the spaces that supports its life and mission, this is a wonderful time to give.

Thank you for your generosity, your heart, and the many ways you continue to invest in Belvedere Family Community. Let's make the most of this matching opportunity together.

With gratitude,

Pastor Justin
