Dear Brothers and sisters,

Thank you to all those who joined us last week on Hour of Restoration Bible Study! It was a wonderful event with our Rev. Edner giving a great talk leading the ministers up to the edge of DP and as he said, "inching them in the right direction". Ministers commented that they enjoyed it and felt spiritually nourished.

This week we will have Bishop McKenzie as guest speaker. This is his first time speaking at our event and I am asking for your support. This program is taking off and getting more popular each week including people zooming in from Nigeria. It is programs like this that can help keep the connection going through this pandemic. If you have a pastor that attended a couple of times, we can then ask for them to speak and this is how they become close to us especially when we give them the chance to speak. Bishop McKenzie has been involved with us for a few things before the pandemic so this represents a step forward for him. I am excited to hear what he has to say.

I have included the zoom info below so please feel free to invite your contact ministers or guests.

Thank you in advance for your help and God bless the work of your hands.
