Dear Belvedere Community

We are working on updating our local directory (phone book) this is for local members of the Belvedere Family Community. If you are subscribed to our mailing list but live far away and are not a tithing or an active member of the BFC feel free to ignore this email and stay subscribed to continue receiving our email updates.

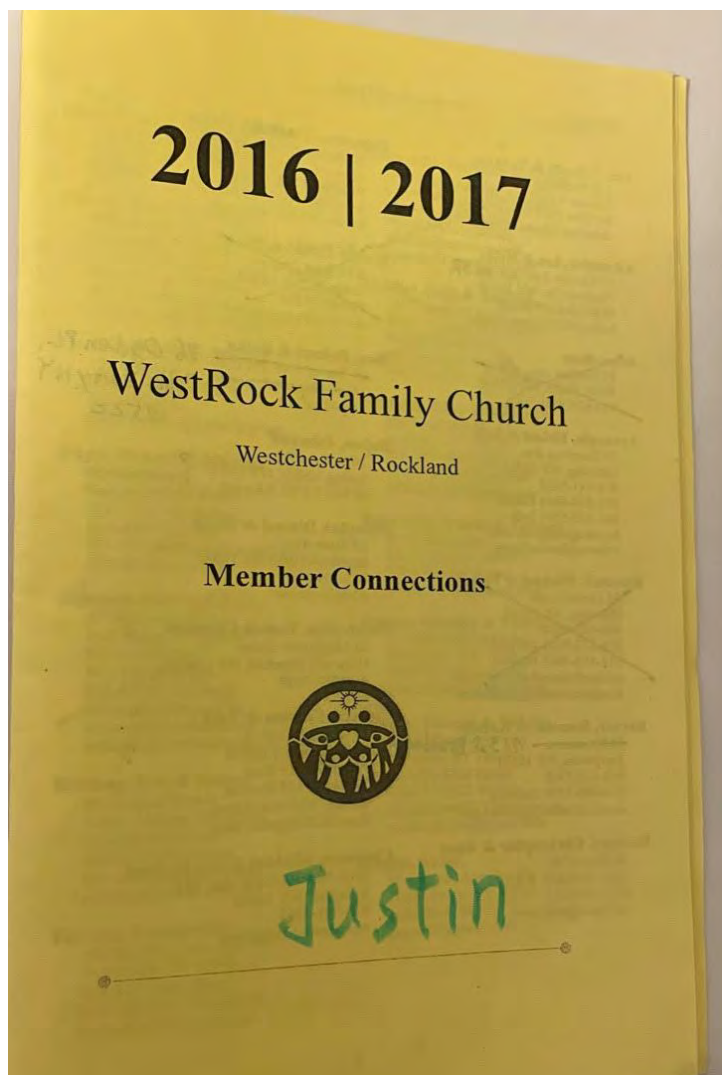

If you are a local member by now you should have received a personal email from the email [pastorjokamoto@gmail.com](mailto:pastorjokamoto@gmail.com)

The email should ask you whether or not you would like the change, add, or opt-out of the directory. If you did not get this email then it is because we do not have you in our old directory or our membership database. There are many reasons why this might have happened.

If you would like to be added to the directory and you did not receive an email, please use this form to be added to the directory. [forms.gle/Po7YpEvV4ZURLC3V6](https://forms.gle/Po7YpEvV4ZURLC3V6)

We will start to edit and create the actual booklet from Monday so please respond by then.

The directory will then be printed out and become available to members of the Belvedere Family Community. Thank you for your cooperation.
