## How to Donate

We have multiple ways to receive donations.  
Choose the method that works best for you.

If you have any questions, please contact us at [bookkeeper@belvederefamily.com](mailto:bookkeeper@belvederefamily.com).

### Zelle payments

Zelle is a great way to send tithing and donations. There are no fees or finance charges when you use Zelle, so all of your donation comes to our account.

Most major banks now have Zelle as an option for making payments directly from your account. You can find out if your bank offers Zelle [\[here\]](#). You can enroll with Zelle either through your bank's mobile app, or with the Zelle app.

To send money from Zelle, please send to the email address "[bookkeeper@belvederefamily.com](mailto:bookkeeper@belvederefamily.com)". That is the address we have registered with Zelle.

**IMPORTANT:** Zelle does not always tell us who has made a donation. To be sure you get credit for your tithe, if possible, please add a memo to tell us **your name and email address along with the purpose** for the donation. If your app doesn't offer a memo option, please email your name, amount, and the purpose to [bookkeeper@belvederefamily.com](mailto:bookkeeper@belvederefamily.com) so we can assign your donation properly. Thank you!

Click below to learn more about Zelle.

### Donate by TEXT message.

We have a "Text-to-Give" account that allows you to make a donation by texting the amount to our specific number:  
**914-303-8200.**

When you text a dollar amount to that number, you will receive a reply message with a link for completing your donation by credit card. Once you have set up your own payment options, you will be able donate at anytime via the text option.

For more detailed information on this process, click below.

Credit Card donations are processed by GivingFuel.com

You can choose preset amounts or enter your own amount, and also set up automatic recurring monthly payments. If you would like to donate for a specific purpose or program, select “Other” from the drop down menu on the donation page.

The screenshot shows a form with a label 'Purpose of Donation \*' and a dropdown menu currently set to 'Other'. Below the dropdown is a text input field with the placeholder text 'Specify'.

## Automatic Bank Payments

Automatic bank payment is the preferred method for regular tithing.

- Most banks will let you setup automatic or manual bill paying from your account.
  - With automatic you can send a set amount every month.
  - With manual payment you can send a one-time payment of any amount desired.
- This saves you from having to write checks and mailing them.
- The checks will be mailed directly from your bank to the Belvedere Family office.
- Visit your bank’s web page and look for online bill payment in your account section.

Never give God your leftovers. Instead, offer the first and best portion.  
In this way, the remainder shall receive God's blessing and will increase.  
I have educated the members of the church never to be indebted but  
instead to consistently contribute to the church and the society.
