Hi all,

Blue Dragon Tour will take place in NJ from 4/12-4/14/2024. It will be a 3-day Event. We will have a Liberation Ceremony on 4/13/2024, so please start preparing for the registration if you would like to apply for the liberation.

I attached the application forms, so please find them:

- The first one is for those who are applying for Ancestor Liberation
- The second one is for those who have finished the Ancestor Liberation and Blessing up to 430G. **Please write your phone number on the top of the form.**

(Please note that there are *NO* blessing applications this time.)

We are able to apply for this time:

1. Ancestor Liberation - You can apply for any generation from 1st to 210 generations. If you need the record, please let me know asap at tomomiueda313@gmail.com I will ask Las Vegas to send your record.

Please fill out the application form and put the check mark () in the boxes you would like to liberate. (If you apply for Ancestor liberation up to 210G, 211-430G will be liberated automatically at the same Liberation Ceremony.) Those who are applying for Ancestor Liberation need to offer the 21-day condition of breakfast fasting or 50 bows, so please start it as soon as possible.

2. Collateral Liberation - You can liberate your deceased parents, relatives, friends, etc. If both husband and wife are deceased, please circle Married and write their names side by side in the same box. Age is the age at the time of death. If you are not sure their exact age, you can write about. (Someone in their 50s or 80s.) If there is only one person, please enter the name of one person. if you have already liberated the deceased person of the married couple, please write the name of the spouse name in the box of "Persons who passed away after registering for liberation". If you are applying for a single person who has never married on the earth, please circle "Single" and write the name and age at the time of the death. (Please apply for the special blessing for the "unmarried 1st Gen." in August every year in Korea.) If you apply for the liberation for your relatives, please write detail information.

(Example) Uncle-My father's older brother or Cousin-The first daughter of my mother's sister.

3. Liberation of Central Evil Spirit - You can apply for the liberation of Central Evil Spirit for your family members or friends. Please circle "Central Evil Spirit" and write the names who you would like to liberate. **Then, write the number next to the name like x1 or x13.** You can apply for any number of Central Evil Spirits.

4. Self Liberation Reservation - Those who have completed Ancestor Liberation and Blessing up to 140G on their F and M side are able to apply for "Self Liberation Reservation" for yourself, spouse, children, and parents. When a blessed family member passes away, they should be applied for liberation. Then, they will be sent to the 100-day workshop in the spirit world. After completing it, they will receive a mission from TF. If you apply for this Self Liberation Reservation, your absolute good ancestors will come to pick you up and take you to the 100-day workshop right after you die. Your family members do not need to worry about your liberation, and you do not wait to be liberated in the spirit world. I strongly recommend that you apply for all family members this time.

I will assist you for the registration on Sundays in March at NJ Family Church. The dates are 3/3, 3/10, 3/17, 3/24, and 3/31 after Sunday service until 2pm. If you come earlier, I think it will be less crowded. **The deadline for application is 3/31/24.**

Please submit your application forms as soon as possible. You may also send your application forms via email to tomomiueda313@gmail.com. I will need to scan your application forms and email them to Las Vegas for confirmation, so please prepare for it as early as possible. Thank you so much!

Please bring your personal check and make it payable to CSW.
