Manasseh was twelve years old when he began to reign, and reigned fifty and five years in Jerusalem. And his mother's name was Hephzibah. And he did that which was evil in the sight of the Lord, after the abominations of the heathen, whom the Lord cast out before the children of Israel. For he built up again the high places which Hezekiah his father had destroyed; and he reared up altars for Baal, and made a grove, as did Ahab king of Israel; and worshipped all the host of heaven, and served them. And he built altars in the house of the Lord, of which the Lord said, In Jerusalem will I put my name. And he built altars for all the host of heaven in the two courts of the house of the Lord. And he made his son pass through the fire, and observed times, and used enchantments, and dealt with familiar spirits and wizards: he wrought much wickedness in the sight of the Lord, to provoke him to anger. 2 Kings 21:1-6

If you use your sexual organs recklessly, like a blind person who is wandering here and there because he has lost his way, you are bound for hell. On the other hand, if you use your sexual organs according to God's standard of absolute love, you will go to the highest realm of the Kingdom of Heaven. SMM, CSG 1290

Dear

Sunday morning began with a shocking event in which Hyung Jin Nim's and Yeonah Nim's 2nd son, Shin Man, and daughter, Shin Goong, were involved in a serious car accident when their car hit "black ice" while driving to church. Fortunately, with God's protection, they were not harmed! Here is the 2nd King's message about the accident and God's protection:

BY THE HAND OF GOD MY 2 CHILDREN ARE ALIVE!!! They were in a black ice car accident on their way to church today. They are ok because of GOD'S MIRACLE! They were traveling at 65 mph and could have easily died today. Be thankful each day and moment God gives, as each moment is a gift of God's LOVE and GRACE!!! I Praise the Lord Almighty for keeping my babies and for letting them have another day!!!

While the 2nd King took Shin Man and Shin Goong to the hospital to make sure they did not have any internal injuries, Timothy Elder and I filled in for the Sunday Worship Service. We showed a video of a powerful talk given by Hyung Jin Nim on December 15, 2012 at an OSDP workshop in NYC about "Absolute Good Sex."

He explained how True Father appeared to him in a vivid dream shouting "Cheoltae Seong" which in Korean means "Absolute Sex!" He realized that this is the core of True Father's teaching. This led him to see how many of Jesus parables, such as the parable of the Sower in Matthew 13 also related directly to this core message. From this we can see that Jesus knew about the sexual nature of the Fall.

It is sad that the Han Mother now teaches that the human Fall was caused by "greed." Since most of the

pastors who welcomed True Father were African American, it is not an act of love to withhold the Principle explanation of the real nature of Adam and Eve's transgression. Sex outside of marriage devastates the Black community and causes immense suffering for them, as it does for people of all races.

"Good Sex" Is the Core of the Gospel (Sunday Service 1/5/2020)

The idea that "greed" is the root evil is at the core of Marxist Liberation Theology which seeks to institute centralized state socialism and communism which is the opposite of the Principle teaching that the Kingdom of Heaven begins with individuals and families which have been transformed by God's truth. To give just one example, the federal requirement that recipients of government aid have no married father in the home has decimated poor families and traps them in a system which is the opposite of God's ideal of the 3 Blessings.

Within a few months of giving this inspiring talk, Hyung Jin Nim was told he must immediately stop sharing about Absolute Sex and was then fired. Think about how different America might be today if the Unification Movement, ACLC clergy and other core allies had boldly proclaimed this message throughout the nation during the last 7 years!

In his King's Report from January 6, Hyung Jin Nim discussed how the King of Judah Manasseh's unprincipled sexual relationships led him to marry foreign women and to bring in Baal worship and child sacrifice including his own children (2 Kings 21). Bad sex leads to separation from God and evil practices which destroys the civilization and brings God's judgment.

In modern times there is a \$38 billion Sex Trafficking industry. Hyung Jin Nim strongly recommended Craig Sawyer's podcasts at OvercomeAndConquer.com website in which he describes how government, the entertainment industry and Silicon Valley are all involved with the misuse of sex including sexual exploitation, trafficking and pedophilia.
