

My Responsibility during the Existential Crisis

The word of the Lord that came to Micah of Moresheth in the days of Jotham, Ahaz, and Hezekiah, kings of Judah, which he saw concerning Samaria and Jerusalem. Hear, you peoples, all of you; pay attention, O earth, and all that is in it, and let the Lord God be a witness against you, the Lord from his holy temple. For behold, the Lord is coming out of his place, and will come down and tread upon the high places of the earth. And the mountains will melt under him, and the valleys will split open, like wax before the fire, like waters poured down a steep place. All this is for the transgression of Jacob and for the sins of the house of Israel. What is the transgression of Jacob? Is it not Samaria? And what is the high place of Judah? Is it not Jerusalem? Therefore I will make Samaria a heap in the open country, a place for planting vineyards, and I will pour down her stones into the valley and uncover her foundations. All her carved images shall be beaten to pieces, all her wages shall be burned with fire, and all her idols I will lay waste, for from the fee of a prostitute she gathered them, and to the fee of a prostitute they shall return. Micah 1:1-7

The spirit world is in your hands; your relatives are in your hands - not only your relatives, but even your country is in your hands; even the task of setting the right tradition for your descendants is in your hands. You should always keep this in mind. Whether you, as a single person, accomplish or not, you will determine whether your ancestors and relatives will be liberated, and whether your descendants can be the chosen people of liberation. (66-76, 1973.3.17) You should always be thinking that you are representing three ages. For this reason, you have to realize that the spirit world is in your hands and that your ancestors are at your mercy. If we gather the past, present and future together, and put physical and spiritual realms together, and lead them, they will come running to you. We should accomplish that mission. (66-76, 1973.3.17)

Dear

In his Sunday Service message, Hyung Jin Nim discussed how only 2 tribes in Israel kept God's covenant. The other 10 embraced paganism. Similarly only 2 out of 12 of the children of True Parents remained faithful.

Sanctuarions in Japan demonstrating for a Free Asia

In America many have been taught to have contempt for America and even to demand socialism. The so-called Capitol Hill Autonomous Zone occupies 6 blocks in Seattle, a poor imitation of God's Kingdom, which is autonomous from such satanic kingdoms.

ANTIFA, which claims to be anti-fascist, acts as a terrorist organization. America is in an existential struggle now. If America dies, then the world will be under the grip of political Satanism.

Sanctuary brothers and sisters in Japan demonstrate every week in favor of the alliance of free nations in

danger of losing their freedoms. What we as human beings do matters. The future is not fixed. The goal of ANTIFA and Black Lives Matter is to start a race war in America.

As it says in 2 Timothy 1:7, God has not given us a spirit of fear, but of power, love and a sound mind. It is not an accident that "demonstrators" are pulling down statues, not just of confederate leaders, but of [President Ulysses S. Grant](#) and of a [Christian missionary](#).

Unification Sanctuary Sunday Service 6/21/20

Many, especially those living in the urban areas, live under constant fear. There are areas where the police dare not enter. We have gotten away from the founding fathers' vision of decentralized government which included elected sheriffs. Government "archangels" are to be the servants, not our masters.

The passage in Romans 13 in which Paul urges believers to be subject to the governing authorities was cited by churches in Nazi Germany to justify going along with oppression. Let every soul be subject to the higher powers, which in the U.S. is the Constitution, which protects God-given rights.

We need to stand up against evil, even if many of us lose our lives. The founding Christians were willingly martyred. For decades Leftists have launched unrelenting attacks on the willing shepherds, who are strong, righteous men, who are labeled "patriarchal oppressors." But if they fall, women and children will fall prey to rampaging men who have no conscience.

Over its long history Korea has been invaded every 5 years on average. This is what Leftists want to bring to America. It's important for us to show up to defend our communities and nation. The body of Christ must not fear death.

Wives have an essential role to play. If Eve becomes the weak link and has fear, then the household will have fear. If she is strong, Satan cannot invade.

Our local Congressman Cartwright said at open house in Milford last year "your rights don't come from God, they come from a piece of paper." How arrogant and ignorant he is, but this view is widespread in our increasingly secular nation!

The Pre-rapture theology that teaches real Christians will be raptured before the tribulation accompanying Christ's return has led to many Christians doing nothing politically while Leftist movements work hard to

bring socialism to USA, even with force.

Carrying a firearm is a serious spiritual question. We are in Christ's family, and as such should not be separated into the white, black, or yellow race.

He honored the Sanctuary Pro-life team led by Ted O'Grady, which persuaded a black woman not to abort her twins.

As True Father taught, Communism is Satanism cloaked in political terms. Knowing who you are and having the sovereignty of God are essential for each of us. Be confident on this day of judgment.

58th Day of True All Things Observed, But NOT in One Place...

Early on Sunday morning a beautiful Day of True All Things Holy Day ceremony was held at the Newfoundland Sanctuary Church.

58th Day of True All Things

HSA-UWC 66th Anniversary 6/21/20

Unificationists all over the world joined in such observances, except for one place, Hak Ja Han's palace in Chung Pyung where there was no Holy Day celebration. True Father taught that such deeply meaningful observances would be held for thousands of years into the future. One more piece of evidence that the Han Mother has no concern to observe the traditions Father created, *but OBD followers shouldn't worry because "True Parents are One!"*

2nd King's Declares Liberation of Ancestors, Victims of Tyranny

In the beginning of human history with the Garden of Eden, God's original world of freedom, liberty, conscience, and relationship with God was to be established. It was to be a world where the powerful archangels were to be the servants of the children of God. However, due to the Fall, Eve committed adultery with the Archangel and tempted Adam into sinning against God. Thus, the world of Satan's domination over mankind was established and history has shown centralized archangelic powers, either governmental, religious or financial use artificial methods to rule over mankind sometimes taking freedoms gradually and sometimes eliminating them by brute force. God's Kingdom of Heaven on Earth must be established where the artificial structures of power, representing Satan, shall never again rule over mankind and humanity. In order to establish this, the Tribal Messiahs and the help of all ancestors in the spirit world must come together as one.

After the Fall of Adam and Eve the history of restoration began and God yearned for a day where in which His children could return back to His bosom. He had to witness the trails and tribulations of His chosen people wax and wane in faith and righteousness.

After the providential foundation for the messiah had been fulfilled, God sent Jesus to save humanity and

become the King of Kings and Lord of Lords. But due to the faithlessness of the people, Jesus was crucified and thus the kingdom could only be substantiated spiritually. Jesus intended for God's Kingdom to come physically as he commanded in Matthew 6, "pray everyday...Thy Kingdom come, Thy will be done on earth as it is in Heaven..."

Jesus' spiritual children were the inheritors of the gospel and thus his kingdom would only be spiritual. If Jesus' physical children inherited the gospel an actual line of Kings would continue from Christ the living representative of God. But since this kingship was not substantiated the Church of Christianity would have to continue the spiritual kingdom building process and preach the gospel to the world.

However, the hope of the Church was the promise that Christ would return and establish the Kingdom of Heaven on Earth. In the end times while the Messiah was here on Earth, believers believed that the prophesy in scripture would come to pass. The Book of Revelation would come to pass and the signs and wonders would play out for the discerning believer to be able to take notice.

In 1920 our True Father, the Lord at the Second Advent came to the earth as the Returning Jesus to fulfill the prophetic roles of King, Judge and Bridegroom. He established the Kingship of God despite multiple attempts by contemptuous wives to destroy the bloodline of God. He judged Communism and Socialism as the real and substantial danger to humanity as a Godless, wicked and evil system being sustained and led by Satan. Finally, as the Bridegroom he established the Blessing of marriage where husband and wife would be engrafted into the lineage of God.

During his time on earth the world saw the greatest tribulations in human history: world wars, nuclear exterminations, genocides and death, the likes of which had never been experienced by the human race. These evils were perpetrated by the symbolic 4 Horsemen of the End times, that the book of Chapter 6 in the Book of Revelation describes:

Hak Ja Han Didn't "Step Up," She Stepped OUT... of Father's Will

Rosemary Yokoi

To my dear sister,

Thank you for reminding me about Dan Fefferman's song, "She Stepped Up!" I don't want to alienate you and at the same time I would like you to consider that when Mother "stepped up" she stepped out... of Father's Will.

When she supported True Father, she was obedient to God. Near the end of Father's physical life, she began to go her own way.

She denied True Father's desire for their son, Hyung Jin, to "step up" into his role as the second king (see pledge #3) in the three great kingships.

By "stepping up" she took the Blessing centered on God from millions of people around the world, including you. She then gave a "blessing" centered on herself and her Han lineage.

Essentially, she stole the people that had been restored to God's lineage. Through the wine centered on herself, she brought them under the lineage of Satan again.

She has changed Father's words that he said should never be changed. The National Anthem that represented the deep heart of gratitude and hope, written when Father was in prison, was changed to a communist-style song.

Most recently, she has erased the holy days that represented the struggle to indemnify history.

When I saw what she did, it was devastating to me. The heart of God has been so broken once again that I am overwhelmed to even think about it.

She has done everything to erase True Father and raise up herself. She failed to see True Father from God's viewpoint.

She left her proper position as wife of the Messiah.

She reversed dominion by claiming authority that was not hers. Then she multiplied that evil to the millions of trusting members.

Faithful members who follow her must know that history will judge us all. I am praying for her to repent for her sin.

A worldwide judgment is now taking place. Please investigate.

This is no longer the movement that I joined or you joined. It has been hijacked by Satan.

She did not "step up," she stepped out of Heaven's will.

I love you.

These evils were perpetrated by the symbolic 4 Horsemen of the End times, that the book of Chapter 6 in the Book of Revelation describes:

And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer. And when he had opened the second seal, I heard the second beast say, Come and see. And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword. And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of

balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine. And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see. And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

The White Horseman has a crown and a bow and arrow, which is the crest of the Rothschild's, the most powerful Banking family in the world with power to decide whether nations live or die. They have funded most of the wars in the 20th century for profit and have caused the deaths of untold millions. The Red Horse of war and the sword has been Communist China with over 100 million of its own people being murdered by the state. The Black Horse holding the scales of Justice while participating in destruction, are the traitorous sections and factions of all governments but particularly the US, aka the Deep State, who seek to subvert the Constitution by aiding enemies foreign and domestic to transform America into a socialist/communist nation where all power and access to resources will be centralized to themselves. Finally the Pale or Green Horse of death is the movement of Radical Islam, which seeks to subjugate the world under the tyranny of Sharia law.

These 4 Horsemen compete with one another but work together to establish conditions that are favorable to dictatorships, centralized government and communist/socialist style regimes. They work in unison to establish Satan's Kingdom and to allow political Satanism and real Satanism to flourish. They are collectively responsible for the death of hundreds of millions in the 20th century alone.

The spirit world is in your hands; your relatives are in your hands – not only your relatives, but even your country is in your hands; even the task of setting the right tradition for your descendants is in your hands. You should always keep this in mind. Whether you, as a single person, accomplish or not, you will determine whether your ancestors and relatives will be liberated, and whether your descendants can be the chosen people of liberation. (66-76, 1973.3.17) You should always be thinking that you are representing three ages. For this reason, you have to realize that the spirit world is in your hands and that your ancestors are at your mercy. If we gather the past, present and future together, and put physical and spiritual realms together, and lead them, they will come running to you. We should accomplish that mission. (66-76, 1973.3.17)

The world is now changing rapidly. Many evil people are dying in accidents. Suddenly they are dead. Now there is no indemnity. An age has come where decisions and punishments are instantly rendered. You have to straighten out your act. Who is doing this? The devil is not bringing our indemnity. Your own ancestors are dealing with it. The standard of the Blessing I have now given you is equal for you all. If you fall away from this standard.... When you go to the spirit world the standard should not be lost. Since you have to stand in a certain spiritual position, you should be taken to the spirit world in order to prevent your losing that standard.

2nd King's Ancestor Liberation Declaration on 6/21/2020

Such an age will come. Your ancestors will give you both the illness and the medicine. (301-164, 1999.4.25)

You should receive your ancestors' cooperation with a fervent heart greater than heaven and earth. Everything goes in this way. Three generations are included. Your ancestors are the first generation, you are the second generation and your children are the third generation. You have to bind them together with a fervent heart so that your descendants, the third generation, on earth, who are born anew, can even reach to your parents and ancestors in heaven. (302-39, 1999.5.18)

Your ancestors in the spirit world would look down and want to come with the desire to assist their descendants of whom they are proud. That is why many of your ancestors come down to you. This is the realm of religion based on the tribes that transcends denominations. Do you understand? Your ancestors want to follow you while placing their trust and love in you. That is why they want to devote themselves in assisting you. (189-278, 1989.5.1)

Even your ancestors are given salvation through you. For that reason, they wish to actively support you. Therefore, in your local area, work hard without rest. (179-25, 1986.6.15) One iron rule that you must know is that you have to do more than any loyal servant, patriot, filial child or church minister has done, who lived in your area. If you make greater efforts than they did, they will all support you. That is the condition. If you do that, you will be standing in the place which is above the realm that Satan can accuse. Therefore, Satan will not oppose you and, with the support of the spirit world, your ancestors will appear to your family and relatives and spiritually push them to join the Unification Church. What happens is that your grandfather comes to assist you and goes witnessing for you. (179-17, 1986.6.15)

CSG 973

Now we are entering the age of the nation. You should adjust your focus for this purpose. I am now giving liberation Blessings to the spirit world. There will be Blessings for up to 120 [later to 210 generation] generations of ancestors. In the past it was four generations. How close would four generations be in terms of kin? It would include relatives up to those eight times removed. When this is taken to seven generations it would include even more. It would be hundreds, even thousands of ancestral families for a family with many children. There will be Blessings for four generations and then for seven generations. When seven generations are blessed, it goes beyond family relatives. (299-307, 1999.2.21)

Have you all attended the ancestor liberation ceremony? You have to liberate the first seven generations. Only after liberating seven can you continue and go on to fulfill 120 generations' liberation [then to 210 generations]. Focusing on those ancestors, everything can be sorted out and 120 generations can be blessed together. Through this, everyone can be blessed. Then, would the walls of hell be broken down or not? Paradise, where Jesus dwells, and the middle realm of spirit world, were created because of the Fall. Even the spirit world is built upon relationships in accordance with the pair system. Without doing these things I will be in a

2nd King's Ancestor Liberation Declaration on 6/21/2020

difficult situation when I go there. I must not allow that to happen. When the spirit world is put in order, the situation on earth can be resolved very quickly. (301- 205, 1999.4.26)

Therefore, I, Hyung Jin Moon, the Crowned Successor and Representative Body of the Cosmic True Parents of Heaven and Earth and full Inheritor of the Kingship of God as the direct chosen Blood Lineage of True Father, with all the authority endowed in me by True Father--the Messiah, Lord at the Second Advent and King of Kings, hereby declare the liberation of 210 generations of all the ancestral lines in the spirit world represented here with all their faithful descendants. Further, with the authority endowed in me by True Father I declare the liberation of all historical men, women and children who died due to the Banker wars, Chinese Communist Party, Deep State and Radical Islam, to be separated from Satan's claim, and to be liberated from the spirit world of being dominated by Satan and to enter into the presence of God and the good ancestors. These most innocent human spirits are now freed from their unacknowledged place of being forgotten souls, to those who are remembered and named to enter into the presence of the King of Kings in Heaven and to never again be under the dominion and slavery of Satan and his hosts.

These ancestors and the millions of forgotten spirits will unite with God in the spirit world and the Kingship of God in the physical world to bring about the purging of Satan's authority over this world and to bring about the Kingdom of God "on earth as it is in Heaven."

Satan attacks most ferociously when he is at the brink of defeat. Whatever his attack, the world and the entire cosmic realm stand at this "end of days," to witness and endure the "last persecution of the righteous" and to finally witness the actual coming of the Kingdom of God on earth.

There is no salvation apart from Christ and today there is celebration in the spirit world as 210 generations of ancestors together with the liberated victims of The 4 Horsemen return to our True Father in Heaven who is also in our midst at this exact moment in time. The liberated spirits stand as a spiritual army of God to work with God's people, to glorify the King of Kings and to prepare the way for His Kingdom of Freedom and Responsibility, The Kingdom of God, Cheon-Il Guk, that is quickly coming to this world! AJU AJU AJU!
