True Parents' Birthday * 21st Anniversary Coronation of God's Kingship *

"I have said all these things to you to keep you from falling away. They will put you out of the synagogues. Indeed, the hour is coming when whoever kills you will think he is offering service to God. And they will do these things because they have not known the Father, nor me. But I have said these things to you, that when their hour comes you may remember that I told them to you.

"I did not say these things to you from the beginning, because I was with you. But now I am going to him who sent me, and none of you asks me, 'Where are you going?' But because I have said these things to you, sorrow has filled your heart. 7 Nevertheless, I tell you the truth: it is to your advantage that I go away, for if I do not go away, the Helper will not come to you. But if I go, I will send him to you. And when he comes, he will convict the world concerning sin and righteousness and judgment: concerning sin, because they do not believe in me; concerning righteousness, because I go to the Father, and you will see me no longer; concerning judgment, because the ruler of this world is judged. John 16:1-11

Jesus did not have the opportunity to love a nation or its citizens. So, you should love your fellow citizens and your country, whether it is the Republic of Korea or any other country, as the citizens and the country Jesus didn't have the chance to love.

The country and its citizens could not love Jesus. May your country and citizens become the country and citizens that can love Him centering on one young boy.

When they become one with Jesus in this way, and a realm of the interchange of love becomes globalized, this world will be the Kingdom of Heaven on Earth.

Sermons of the Reverend Sun Myung Moon, Vol 50, pp. 62-67 (October 30, 1971)

Hello,

First we would like to send you our sincere wishes for a meaningful 55th True God's Day, celebration of the birthdays of True Parents Sun Myung Moon and Hyun Shil Kang and Jesus Christ, as well as the 21st Anniversary of the Coronation of God's Kingship. The observance of these events is taking place at Chung Pyung in Thorn Hill, Tennessee, where dozens of volunteers have been working diligently to build the Hoon Dok Hae center in time for this holy event.

Hyung Jin Nim gave the last service to be held in the barn on Sunday. Starting with the True God's Day

celebration on Tuesday, we will be moving to the newly built Welcome Center. He thanked the J-team and K-team for moving large stones and cutting down trees to make room for a new pond. They will plant flowers near the waterfall in March.

In John 16 Jesus warned his disciples that the religious authorities will kill you and think they are doing God's will, because they did not know Him.

The relationship between God and Christ can be compared to that between the creator of a video game and the avatar he chooses to play as in the game. A different mode for the Creator. Jesus and followers received hatred from the religious and political leaders. The Roman empire was collapsing. It was an opportune time for a free nation to rise, if John the Baptist had testified throughout the nation to Jesus and Israel had also united with him.

Instead, failures of the religious and political leaders of that time led to vicious persecution of Christians. In our own time, we are seeing the use of police to enforce harsh mandates in many countries and the "Blue" states in the U.S.

That's why in the nation of Cheon Il Guk (Heavenly Nation) there is the sheriff model, where the top law enforcement official is locally elected. A sheriff is accountable to the citizens, not to a large city mayor. Also, nearly all adults are armed and part of the Peace Police Peace Militia that True Father spoke about.

The devil comes to confuse, steal our heritage and destroy. When you serve the Lord you are signing up to testify to the love and truth of God, even in the midst of tribulation if that is needed.

When the Holy Spirit comes, those who serve devils are judged. We are judged because we have sin, which harms God. We might think we are good compared to criminals or mass murderers, but what about with the absolute goodness of God?

When Hyung Jin Nim was appointed by True Father in 2008 and anointed in 2009, he admitted that he had sin. He could have told himself that he had done 10,000 bows and was the anointed heir, but still he knew he had sin and needed Christ. The Holy Spirit gave him the power to confess. Most of the 2nd Gen leaders and ministers were not happy to hear him say that. Many of them were arrogant, thinking they were sinless. He would fly in coach, while they were flying in business or 1st class seats. They hated him and Kook Jin Nim, who was cleaning up the businesses that were losing money and existing on donations from Japan.

True Father was so happy to hear his youngest son confess that he had sin. It released the burden of many 2nd Gen who felt the need to pretend they were perfect, even when they knew inside about their own imperfections, porn use, etc.

A slave doesn't own his life or body. All over the world, governments are forcing people to inject unknown substances into their bodies and forcing children to wear masks while going maskless themselves at parties. Top scientists warn about the spike proteins in vaccines that damage immunity, opening the way to cancers, etc. Project Veritas has videos of [Pfizer scientists admitting the vaccines are less effective than natural immunity](#) but still promoting them as the only solution.

When Hak Ja Han told the two brothers "I have absolute power" they couldn't believe what they were hearing. She prophesied a world of peace coming, but within a few short years we see a world level pandemic, centralized totalitarian lockdowns never seen before.

FFWPU tried to destroy his reputation, and to sue him and Sanctuary Church into bankruptcy, but God is protecting and guiding the Unification Sanctuary.

The Rod of Iron in the hand of government can be extremely evil, but on January 6, 2021, Kings and Queens of God and patriots came together to stand up for God given rights at the largest altars in the world, the Washington Monument and U.S. Capitol. There was unity of righteousness to stand up against the satanic stealing of power. It has now been revealed that government agents acted as provocateurs to break down fences and open up entrances into the U.S. Capitol. The [Tucker Carlson documentary about the Jan. 6 "Insurrection"](#) did a good job documenting the Deep State's involvement in that event. Their devious plans are being exposed for more and more to see.

We must pray fervently until the November elections. Pray for the best, prepare and train for the worst. Though demons are trying to eradicate America, God is still on the throne. There is a great light coming in the midst of the darkness.

May God bless you and your families!

Sincerely,

Richard

Building Fund for an Outdoor Playground

Christina Kise is organizing this fundraiser.

Thank you for visiting our fundraiser! Many young families have been blessed with new babies, and they are growing up so fast! A need for an outdoor playground/play area has risen as children are turning from babies to little kids, who need a safe place away from traffic to play and explore nature. This project will require putting up a fence, some excavation, laying a bed of mulch, building play equipment and planting a small garden for the children to tend. With your support, we can make this vision into a reality, and help raise the next generation with a connection to God's Creation! Any donation is greatly appreciated. Thank you for sharing and donating!

God bless,
Christina Kise, Nari Hanna and the young families of Sanctuary Church
