America, Remember Who You Are!

*"For those who exalt themselves will be humbled, and those who humble themselves will be exalted."*

Matthew 23:12

*In the world of love, anyone who tries to raise himself up to the highest point receives the worst mark. In the world of love, that standard doesn't work. SMM, Word and Deed, 1/30/77*

Hello,

At the beginning of the service, Hyung Jin Nim explained that [more than a dozen major food processing plants have been burned down in the USA](#) during recent months. This threatens the food supply. It's important to be prepared. Buy extra rice, etc. The [lockdown in Shanghai](#) is leading to starvation and suicides. It will also destroy the supply lines to the USA and other countries.

Even in the midst of such tyranny, the Chinese are looking for ways to resist. [One man locked in his apartment used a drone to catch fish.](#)

1 Chronicles 16 recounts how David organized musicians for the praise of God, but modern culture promotes self-centeredness, hedonism, and even satanism. Just as Lucifer deceived Eve, Mark Zuckerberg says you can exist as a fantasy creature in the metaverse. We are committing suicide culturally and part of a civilization that is bound to die.

We need to think about what it means to make America Godly again and recognize that we are sinners saved by grace. Admit our shortcomings to God and to one another.

Despite feminist propaganda, women, like men, are sinners, not "goddesses." Those used to government handouts will not have a work ethic. Our nation has been running away from God.

David wanted to remind the Israelites who they are. Each of us has a cosmic purpose.

Hyung Jin Nim also spoke about [the Bible Project](#) video about a wise woman opposed to a foolish woman. A wise person realizes how the Creator has structured reality to help us to avoid illusions. Fear of the Lord is the beginning of wisdom and to pursue good rather than evil. To think that God has chosen me for a purpose versus the naturalistic view that I am just a meaningless collection of matter. Communism

says we are animals to be controlled and shut down.

It's important to be active in local affairs, and to lead people away from sin and distracting "entertainment." We should assume our true positions as Kings/Priests, Queens/Evangelists. Be the ones who protect civilization.

Stand against wickedness. We are not weak or few. Empower ourselves to be healthy, capable and ready to defend freedom. America, remember who you are! Let us raise up a new generation of warriors.

**Hak Ja Han: "FATHER FAILED!"**

We have received multiple reports that in recent weeks Hak Ja Han is asserting more widely her belief that True Father did not victoriously complete his mission.

During her most recent birthday ceremony Hak Ja Han said True Father has conditions to be accused by Satan in the spirit world. Therefore, FFWPU members need to make conditions of attending a 2 day workshop in Chung Pyung to liberate him.

Notes from last week's International FFWPU Leaders Meeting in Korea: "True Father is suffering in the spirit world because he failed. Therefore, they need to make good conditions for him."

Personally, I'd like to express my gratitude to Hak Ja Han for making it perfectly clear that she has established a new religion. Instead of viewing Sun Myung Moon as the victorious Lord of the Second Advent, as Unificationists have done for more than 5 decades, we are now instructed to believe he is a failure that we need to make conditions for. In her legal deposition in the Family Fed lawsuit against Sanctuary that a federal judge dismissed in March, [Hak Ja Han stated under oath](#) these same ideas.

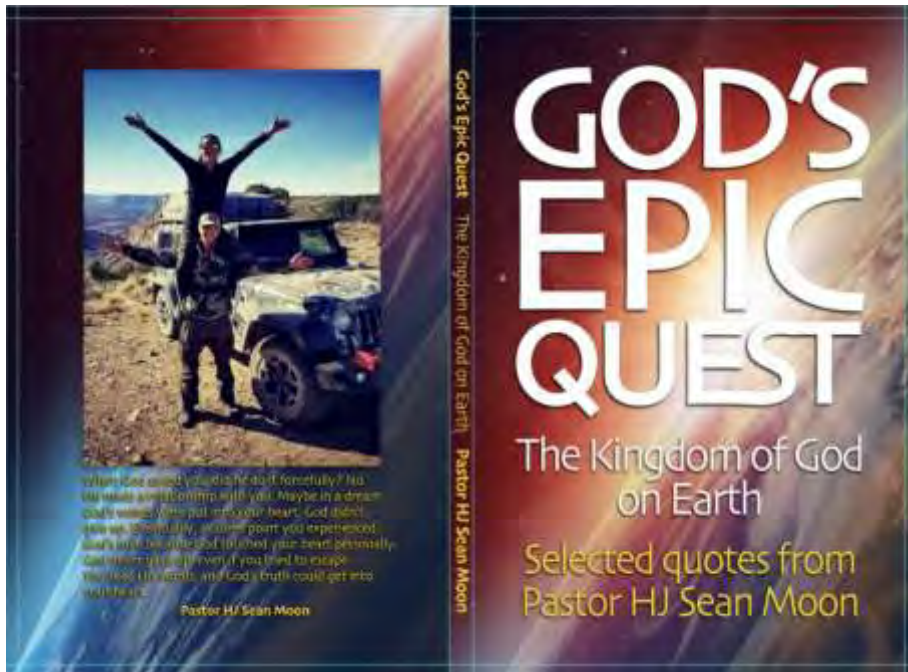

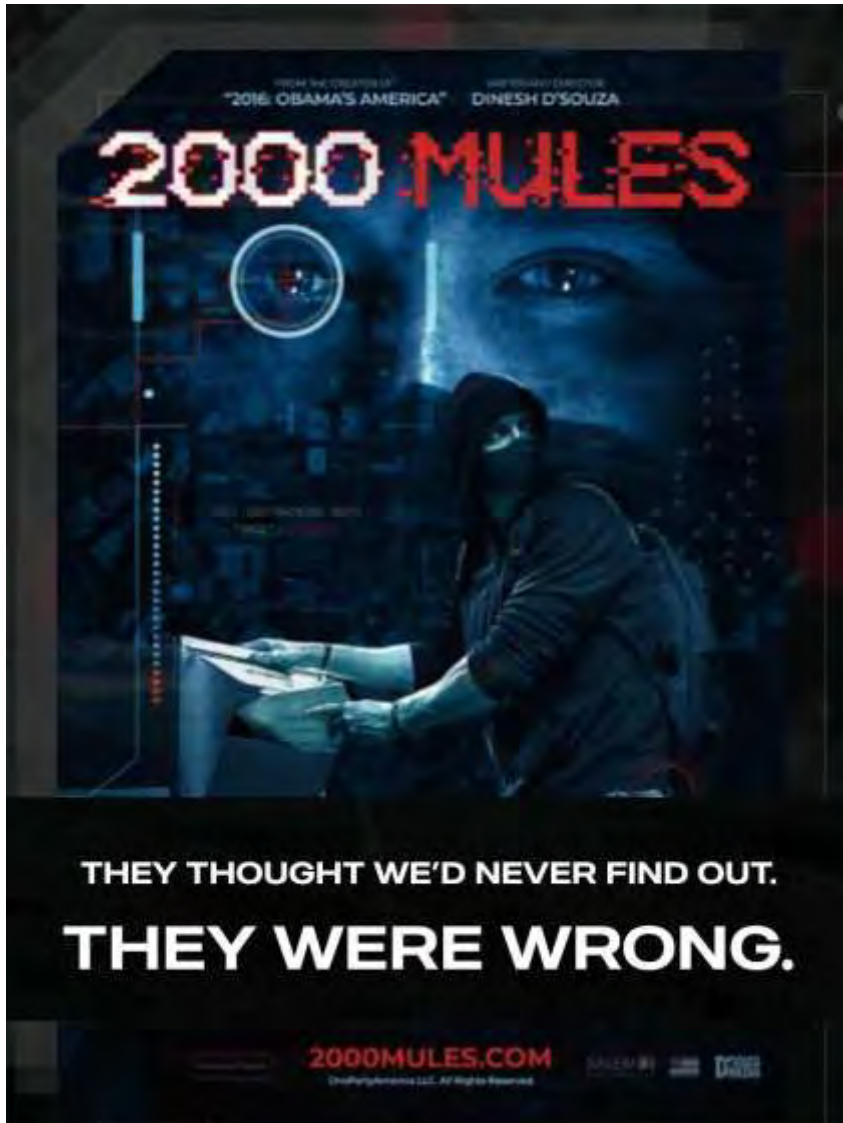

Unificationists can evaluate her Only Begotten Daughter religion for themselves. Even though FFWPU theologians are furiously writing a new OBD version of "Divine Principle" those of us who knew True Father personally will not be deceived. As Jesus taught, "For those who exalt themselves will be humbled, and those who humble themselves will be exalted." Matthew 23:12

**GOD'S EPIC QUEST**  
The Kingdom of God on Earth  
Selected quotes from  
Pastor HJ Sean Moon

*When God saved you, did he do it forcefully? No. He made a relationship with you. Maybe in a dream God's words were put into your heart. God didn't give up. Eventually, at some point you experienced God's love because God touched your heart personally. God never gave up, even if you tried to escape. You read His words, and God's truth could get into your heart.*
