"She's changing up EVERYTHING!"

Blessed is everyone who fears the Lord, who walks in his ways! Behold, thus shall the man be blessed who fears the Lord. *Psalm 128:1,4*

Once that love of God fills you and you live in that love for ten, twenty or thirty years, you always know that the original source is God, who is constant, almighty and eternal. As long as He is supplying you with that energy of love, you are really pulled in His direction and are always moving closer to Him. We are guided by the direction of God's love. We are not like a ship without a compass; we have a compass which clearly shows due north. *SMM, The Will of God and Thanksgiving, February 12, 1978*

Hello,

Hyung Jin Nim started the service by speaking about [Frontier Coffee](#) founded in Washington state by Nate Dressel, a Special Forces veteran and medic, who moved to northeast Tennessee and is now [running for Congress](#). We need patriots like Nate to restore our nation. He stood up against Covid mask mandates. He saw the collapse of local businesses in Seattle.

Christianity in the South is asleep, in part due to beliefs in the rapture, promoted in the Scofield Bible heresy. Jesus spoke about Noah, some taken away in Matt 24:37-42. Christians have been weak. Thank God the [Tennessee legislature banned drag queen story hour](#) in front of children. We shouldn't be nice to pedophiles who want to exploit our children.

Some Christians want to attack our beliefs, but they have no time to oppose the real demons of the rainbow mafia who put porn in the school libraries.

Like most Christians we affirm New Testament verses such as Acts 2:21 and Romans 10:9 which state that whosoever shall call on the name of the Lord, confess the name of Jesus, and affirm his resurrection shall be saved. We believe that Jesus was the substantial body of God.

The Bride church is too weak to resist Islam. The Completed Testament church has an Adamic culture. Young women who do combat training learn quickly the reality of how much stronger most men are and also their need for the rod of iron.

The English writer George Orwell once said the "rifle on the wall of the laborer's cottage or working class flat is the symbol of democracy. It is our job to see that it stays there." He knew that totalitarians can never let the working man keep his rifles.

Trump appointed three judges who have consistently upheld the 2nd Amendment, but Biden is coming after the 1st and 2nd amendments. If his efforts are successful, the Republic will be dead. Communist China-style systems will reign supreme throughout the world. As Josef Stalin's secret police chief bragged, "Show me the man and I will show you the crime." Lawfare against Trump will set a precedent for all of us. The Deep State is trying to put fear into all of us.

Satan has used sexual blackmail since the beginning. They worship power and deception. Over a thousand protesters at the U.S. Capitol on January 6, 2021 have been arrested, but no one who went to Epstein Island. The biggest pedophile rings have been run by the CIA and FBI. There is a real danger that we will hand over a worse America to the next generation.

His father, Sun Myung Moon, had the courage to call people away from sin. When asked, "Rev. Moon, you said this. Do you regret that?" His answer was always "NO!"

Most churches are afraid. Feminists who teach women to despise Christian men and waste their youth on despicable men will find that Muslim jihadis are the worst.

The good news is that people are waking up. We live in tragic, but exciting times. We in the Rod of Iron Ministries have no secret meetings. We broadcast our sermons. We have nothing to hide.

They don't want people to understand the power of sacrificial love or the value of an ordered home, where the husband stands as spiritual leader of the home. Women are more susceptible to be ruled by their emotions and to propaganda. That is why they benefit from participating in Peace Militia training.

May God bless you and your families!

Sincerely,

Richard
