February 2, 2013

Greetings!

Barrytown College has announced a fifth finalist in its 2013 "True Love" Video Contest.

Gabriel O'Connor's video, "Home," is a "family affair." The two actors in the film are his own father and mother! It was submitted on 12/30/2012, before the 2013 "True Love" video contest deadline, but for some reason, never made it into the video contest inbox! The five judges voted to consider this entry since it was submitted on-time. After their evaluations were averaged "Home" was found to be a new finalist to compete for the three top prizes. We invite the public to view "Home" and to consider is along with the four other finalist videos on this Facebook page. Enjoy!
