"Therefore shall a man leave his father and his mother, and shall cleave unto his wife; and they shall be one flesh." Gen 2:24

*"You World Leaders gathered here tonight, please learn this truth and take it back to your countries. **If you start a campaign to secure absolute sex in your country, your families and your nation will go straight to Heaven.**" Rev. Dr. Sun Myung Moon, "In Search of the Origin of the Universe." Washington, DC. 1996*

WARNING: The following email contains information about Cheol-tae Seong, translated into English as "Absolute Sex," which the Family Federation directed should no longer be discussed by the World Unification Church president in early 2013.

Greetings!

Some of you may remember a major speech that True Father gave to world leaders in 1996, where he said, *"If you start a campaign to secure absolute sex in your country, your families and your nation will go straight to heaven."*

12-2012 OSDP Conference

In a talk given to religious leaders attending an OSDP conference in December 2012, Hyung Jin Nim speaks with sincerity and heart about his struggles after Father passed to the spirit world, especially since he'd had no dreams or visions about Father. He shares that finally on December 5, Father appeared to him in a dream, speaking strongly about "Cheol-tae Seong," which is translated into English as "Absolute Sex."

Hyung Jin Nim shares with the hundreds of pastors and leaders from around the nation who were gathered that "Absolute (Good) Sex" leading to

committed sexual intimacy between husband and wife is the core of Father's teaching and the gift that God intended for all of us from the very beginning.

He discusses the tragic reality that those advocating "free" uncommitted sex (that leads to disease, distrust between men and women, fatherless homes and broken families) are **unashamedly bold** in spreading their

"bad sex" message. *Even though God created sexual intimacy, in this world Satan successfully pretends to be its owner.* We need to lose our (fallen) shame to speak the truth about this central and beautiful part of life.

Rev. Hyung Jin Moon Speech at Dec. 15, 2012 OSDP Conference

Here is a THOUGHT EXPERIMENT: how would the world be different if Hyung Jin Nim had been supported when he called for an "Absolute Good Sex" movement in America? If the ACLC leaders and Unificationists he spoke to in 2012 and indeed the entire Unification Movement unashamedly taught about Absolute(ly) Good Sex in communities throughout America and around the world during the past 3 years? *Would the Unification Movement be different now, in 2015? How might America and the world be different?*

I know you will thoroughly enjoy watching Hyung Jin Nim's talk and look forward to hearing your thoughts in the coming days.
