"There is no doubt that God's Kingdom is a place that is governed according to His will by the sovereignty held by His begotten children upholding His command."

"With the establishment of a constitutional democracy, the framework for the ideal political system was set up."

Exposition of the Divine Principle, p. 362.

Greetings!

On a beautiful Autumn day on Columbus Day weekend, Unificationists from many parts of the U.S. and from many nations around the world gathered at the Unification Sanctuary in Newfoundland, PA. to witness the declaration of the Constitution of the United States of Cheon Il Guk by the 2nd King of Cheon Il Guk, Rev. Hyung Jin Moon, who proclaimed in the Constitution's Preamble, that:

Cheon Il Guk, the Kingdom of God, a sovereign and actual nation does not yet exist in this world, but is the long awaited culmination of the End of Time as prophesied in Biblical Scripture. The Divine Principle and the Eight Great Textbook Curriculum revealed by True Father, Christ at His Second Coming, is the spiritual foundation of this Constitution. It is upon the foundation of these eternal truths that the future nation of Cheon Il Guk will be politically, and legally established. This Constitution is not an ecclesiastical Constitution of a church or religious body, but is a Constitution for a real and sovereign, future nation, being the literal fruit of God's Providence...
