"God's love is to love not only all the things of creation and all humankind but all the people of the past, present, and future. Therefore, God is working to liberate even the spirits of people who have passed into hell."

Cheon Seong Gyeong, p.1064

Greetings!

Unificationists from around the world gathered at the Unification Sanctuary in Newfoundland, PA yesterday to participate in a profoundly moving ceremony conducted by the 2nd King of Cheon Il Guk, Hyung Jin Moon, and his wife, Yeonah Lee Moon, to liberate and bless 210 generations of ancestors. This was the first official Liberation and Blessing of ancestors conducted after True Father ascended in 2012.

More than one thousand Unificationists from Korea, Japan, the United States, Philippines, Thailand, Russia, as well as other countries in Europe, Africa, Central and Latin America, Central and South Asia participated in the event including those present and those who submitted their ancestor liberation requests who were watching through the live Internet broadcast.

Valuable Resources

Truth and Evidence is a video compilation of key statements from Father's words, Mother's new proclamations and Hyung Jin Nim's sermons that explains the current situation of the Unification Movement. Well worth watching.

If you haven't done so, I'd urge you to read two brilliant essays which explore Mother's recent proclamations, "[Cherishing God's Lineage,](#)" by Masako Ando, and "[Letter to Andrew Wilson - Response to 'Only-Begotten Daughter'](#)" by Kerry Williams. Both are also posted on the [Sanctuary Commentary page](#).
