

Unseen War of the Spirit

Therefore I sent to you Timothy, my beloved and faithful child in the Lord, to remind you of my ways in Christ, as I teach them everywhere in every church. Some are arrogant, as though I were not coming to you. But I will come to you soon, if the Lord wills, and I will find out not the talk of these arrogant people but their power. For the kingdom of God does not consist in talk but in power. What do you wish? Shall I come to you with a rod, or with love in a spirit of gentleness?
1 Cor 4:17-21

It is not easy, however, to become a holy child. To become such a person, you must surmount all hardships in order to become the leading patriot among all patriots. As a devoted child, then as a patriot, and all the way up to sainthood, you have to overcome all kinds of difficulties. On the foundation that has the

autonomous power to surmount an even higher level, the path of the holy child is achieved. Those who have not passed through each stage of such a course must receive global persecution within a short time.

Greetings!,

The kingdom of God is not just in words, but in power, drawing on the "ruach" or invisible breath of God. Evil grows when good people are emasculated, do not stand up for what is right. Men must take up their responsibility as protectors, "sheep dogs" and "peace police" of their families, communities, nation and God's Kingdom.

April 9, 2017 Unification Sanctuary Sermon, Rev. Hyung Jin Moon

We can have peace in the midst of a battle. Jesus' disciples, although ordinary men, through the power of God were able to cast out demons. Hyung Jin Nim shared about his visit to Leadville, CO, which at 10,000 feet is the highest city in the U.S. Going beyond one's limits through a "second wind" is like the receiving the breath of God.

Praise Painting by Hyun-ho Cho based on Ephesians 6:10

We are wounded by sin, even if we have been forgiven. We need to ask God to heal the scars left by sin.

We're not trying to destroy others, we're trying to wake them up and to separate them from the demon right behind them. When good takes over the kingdoms of evil, it must stay in the high ground. While we are fighting evil, we must not become it.

Praise keeps us from worshipping ourselves by giving credit to God. That makes us strong, not weak. If you praise yourself you become a vampire. Real power is when you give the glory away.

That is why Mother's speech to Family Fed leaders on March 31, where she claimed that during the past 6,000 years, only she, and Jesus, knew God, is a travesty against True Father, whose name she pointedly failed to mention.

The 144,000 who enter God's Kingdom prophesied in the Book of

Revelation stand with Jesus and fight. They are not bystanders.

Don't be ashamed of being an owner. We chastise Satan not in our power, but in Christ's power. Satan is the murderer and liar whom we fight by being righteous and moral, with excellence of soul. Our natural mind feels fear, but God's power is present when we take a stand.

Registration for the camp is available through an online form below.

Fun activities will be planned for all age groups: Swimming, hiking, archery, martial arts, survival skills, sports, arts & crafts...and more. The entire camp is designed so that you and your children can build a relationship with Christ and the Living God through the Word, activities and relationships. This a great chance for families to go to a deeper level and to build a Christ-centered community. In addition to programs for kids in elementary to high schools we'll have special tracks for college age and young adults. We'll even have programs for older folks!

Everyone pitches in at Sanctuary Camp to make things happen. We, as volunteers, make up the staff for education, sports, cooking, cleaning, music, etc. This way we are able to keep our fees for camp so low.

The Food: We are very fortunate to have Healthy Gourmet chef Elke Noll designing the camp menu. The menu is filled with creative recipes and fresh offerings that nourish the body and soul!

The summer camp lodging is in cabins with beds.

This is a great way to spend your summer vacation as a family.

Hyung Jin Nim, and Yeonah Nim will be very involved in all aspects of Sanctuary Summer Camp. So this will be a very unique camp experience...to say the least!

We hope to see you there and if you have any questions please contact greggnoll@gmail.com

Matching/Blessing and Education for Couples Workshop

Matching/Blessing Workshop and Education for Couples is based on "Love & Respect" by Dr. Emmerich Eggerich.

What is "Love and Respect?" We believe love best motivates a woman and respect most powerfully motivates a man. Research reveals that during marital conflict a husband most often reacts when feeling disrespected and a wife reacts when feeling unloved.

Each morning at the Summer Camp there will be an education session for this workshop.

Schedule of Workshop Sessions

- Matching - Monday, August 14, 2017
- Blessing - Tuesday, August 15, 2017

- Christ centered Couples Education - Wednesday, August 16, 2017
- Christ centered Couples Education - Thursday, August 17, 2017
- Christ Centered Couples Education - Friday, August 18, 2017
- Christ Centered Couples Education - Saturday, August 19, 2017

In addition to the educational schedule, the Matching/Blessing and Education for Couples workshop participants can take part in all other the fun and interesting activities of the Summer Camp.

Registering for the Workshop

Important: Write in the comments section at the bottom of the Registration form the name, the age and the gender of any participant who wishes to join the Matching/Blessing Workshop and Education for Couples workshop. Please use the same form to sign up for this workshop and the education sessions.
