He replied to him, "Who is my mother, and who are my brothers?" Pointing to his disciples, he said, "Here are my mother and my brothers. For whoever does the will of my Father in heaven is my brother and sister and mother." Matthew 12:48-50

Father took my hand and Grandmother Oak's hand and began to pray. Listening to his prayer, again I was so moved. He prayed for the Korean church and the Korean people, even though they were against him. He promised God to fulfill His will. He was really comforting Heavenly Father, asking God to trust him. "I will fulfill Your will," he promised Heavenly Father. "God must really love this person," I felt. "Tears cannot lie; this is such an earnest prayer that God must love him." So moved by this prayer, I felt revived. "From Evangelist to Disciple," Hyun Shil Kang, August

On Saturday, September 23, 2017, the *Cosmic Perfection Blessing and Holy Marriage of True Parents of Heaven, Earth and Humanity* was held at the Unification Sanctuary in Newfoundland, PA.

Our True Father is no longer alone! He now has a loving object, Hyung Shil Kang, who will be at his side for the rest of eternity. This was the same woman God sent to Father in 1952 after he had just finished writing the first version of the Divine Principle, who now at age 90 is still exhibiting absolute faith, absolute love and absolute obedience to the King of Kings.

Nearly 600 brothers and sisters from Korea, Japan, and many countries around the world were in attendance. Burgi Hutcherson, whose family drove all night from North Carolina to arrive early Saturday morning, shared the following, "it was a glorious weekend, which will be remembered forever. God chose the most faithful woman to be the Bride of Christ. She was already an inspiration, a life-giving river of truth every time she spoke. Truly a restored Eve, showing all of us how we can be restored. God now has a foundation on earth to move in a powerful way!"

To be lifted into this glorious moment is an unexpected gift. Father spoke for many years about the importance of the perfection level blessing. It was derailed due to the shocking rebellion of the Han

mother, but through God's miraculous intervention has finally happened! Praise God!

True Mother Kang has a life story full of trials and victories of faith. Here is her testimony.

True Mother Kang's Life of Faith

Mrs Oak and Mrs Kang outside the See Dee Mun church in Seoul, winter 1954

I met Father in 1952 in a place called Pom Net Kol, a small mountain in Pusan. At that time, I was a missionary of the Presbyterian church and attending a theological seminary. That seminary was very strong and orthodox, and they refused to bow down to the Japanese god when Korea was occupied by the Japanese. Many people were put in prison because they rejected that god. The seminary I was attending tried to follow the instructions of the Bible exactly. For example, on Sundays, they would not drive a car, go very far away from the church, eat rich foods, or give or receive anything. Theirs was a very narrow way of following the Bible.

One day a lady came to my school and told me of a place named Pom Net Kol and a young man teaching very strange things there. I became quite interested in her story, of how he was teaching the way in which man fell and how man could be restored. When I heard that story, I told her, "These are the last days, the end of the world. According to the Bible, there will be antichrists. So you should not go there or listen to anything unless you understand what you are doing. Please don't go."

Concerned about this, I set a one-week prayer condition, asking Heavenly Father, if it was His will, to help me go there and meet this young man, and if it was not His will, to please stop me from going there. One rainy day, May 10, 1952, while I was praying in the church, I had the inspiration to go and meet that young man that day. My true motivation in going there was this: if he was misguided in his efforts or didn't understand what he was doing, I had to go and point him in the right direction and teach him. Also, I might try and witness to him.

The 3 Generation Kingships

For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do. Hebrews 4:12-13

Good morning everyone, today I will speak to you about The 3 Generation Kingships.

Good morning everyone, today I will speak to you about The 3

There is no greater relationship of love than that between a father and a son; the father and the son are willing to put their life on the line for the sake of each other. This means that the relationship between Father and Hyung Jin Nim cannot be severed even by the universe itself. This also means that Father is always with Hyung Jin Nim. This is a relationship that cannot be severed by the universe and yet the Family Federation is trying to sever it.

Father chose Hyung Jin Nim as the person who would lead the providence after his passing. He chose Hyung Jin Nim as his representative body and inheritor, and crowned him three times. Father's successor cannot be changed by any human being; even Mother cannot do this. This is a decision made by the King of Kings, and in fact he even chose Shin Jun Nim as 3rd King.

So why did Hyung Jin Nim have to leave the Cheon Jeong Gung palace in Cheong Pyeong? It is because he is the representative body and inheritor. And why did Kook Jin Nim have to leave the Tongil Foundation and come to America? It was a wise decision on his part.

The Family Federation is saying that the True Children have a 5% responsibility and I don't deny that; there is a responsibility when a person is chosen to be the inheritor and representative body. It's because Hyung Jin Nim accomplished his portion of responsibility that Father appointed him as inheritor and representative body. It's because he fulfilled his responsibility that Father had him wear the royal robes of the king and had him crowned.

It makes no sense to say that Hyung Jin Nim had to fulfill his responsibility after he was crowned. It is because he fulfilled that responsibility that he was crowned. So are you saying that Father would go ahead and crown him and later wait and see whether or not he would fulfill that responsibility and depending on the result take that back?

Father told the leaders of Family Federation that looking at Hyung Jin Nim overall, he realized that there was no one that exceeded him. But there are many people who don't know this.

The principle is that you have to accomplish your portion of responsibility first. Father did this and he declared that Hyung Jin Nim had been victorious, but there are many people who do not recognize this because Mother does not recognize it.

It appears that Mother has a different measuring stick or standard from Father and yet the Family Federation insists that Mother is one with Father.
