Greater love hath no man than this, that a man lay down his life for his friends. John 15:13

"The moment Adam and Eve fell, God's heart was torn so painfully He almost went insane. You should never forget about the Father who was shaken so thoroughly as to almost forget Himself. Have you ever thought about that? Even when fallen people on the earth watch their children die, they feel their bone marrow melt. They want to save their children even

at the cost of their own lives. How must the heart of God have been as He watched Adam and Eve walking the path toward the Fall and crossing the line of death? Unless you understand that heart, there is no way for you to become God's sons and daughters." SMM, "The Toil of God as He Tries to Raise Up His Beloved Children" 10/11/59

Dear

Hyung Jin Nim asked me to give the sermon on Sunday. I discussed the ["Apology By Men"](#) posted on the WFWP website. In this post, Angelika Selle expresses how

*"While attending the various festivities and conference in Korea during our Founder's birthday events last month, I received a most moving note from my husband. He said he had attended a meeting in Maryland, together with several other men, husbands, and brothers,"*

and how moved she was by an "apology" statement in this "declaration" drafted by her husband and other men while she was at the Founder's birthday events in Korea "last month." It states:

*I, on behalf of the collective masculine, offer my sincere and deepest apology from my heart, for my abuses and excesses of power and authority and for keeping you, the feminine expression of God, from your true and deserved relationship with Heavenly Mother. I apologize--*

This language reminded me of Andrew Wilson's "Heavenly Mother" theology so I checked my past research and guess what - found that Andrew used the SAME, EXACT LANGUAGE for his 2016 Cheon Il Guk Assembly presentation in Prague. So I realized that Angelika's story that this is something newly

initiated by "her husband and some men in Maryland," is a fiction, not mentioning Andrew's propagation of this "apology" all over the world 2 years ago as part of FFWPU's critique of masculinity.

Leftist/Marxist theories look at people as being good or evil based on their membership in virtuous, *victimized* groups or alternatively demonized, *victimizing* groups. Gender feminists with their allies apply this template to demonize the "collective masculine."

Of course, this is not the Biblical perspective, which is why the Han/Wilson theology calls for rejecting the "sexist" Bible and revising the Divine Principle.

The Christian perspective is that each one of us is not justified or judged because we belong to a "group." We are justified by repenting for our sin, receiving God's forgiveness and being reborn and engrafted into the lineage of Christ. Both men and women have to battle their own weaknesses that Satan can exploit if they are going to successfully establish the 3 Great Blessings in their lives.

FFWPU/WFWP has now confirmed that its "Only Begotten Daughter" theology no longer values the Christian foundation. It groups unrepentant sexual predators like movie producer Harvey Weinstein together with faithful husbands into one guilty "collective masculine" and blames the language in Judeo-Christian "scriptures" for "justify[ing] mistreatment... of women."

I doubt that Harvey Weinstein read from a Bible before raping the young actresses who were sent into his hotel rooms by his complicit female assistants. The Holy Scripture repeatedly denounces adultery. It changed the world by calling for [all sexual activity be channeled into marriage](#), thus raising the value of women and children with lasting benefits for the human race, as recorded in the "sexist" Bible that FFWPU/WFWP is ashamed of. *If Harvey Weinstein had paid more attention to scriptural teachings he would have made love ONLY to his beautiful wife.*

[\(Text of my "I Apologize" response to FFWPU/WFWP\)](#)

I also spoke about Joseph's course in book of Genesis (Chapters 37-47) in which he was sold into slavery by his older brothers, falsely accused by his master Potifar's wife of attempted rape (I thought women never lied...) and sent to prison for three years. He must have struggled about whether God was really guiding his life, but was ultimately victorious in overcoming with faith in God.

As stated in the Divine Principle that the FFWPU thinks is outdated, Joseph's life is the model course for Jesus Christ and the Lord of the Second Advent.

History has shown that it is also the course of the anointed heir, Hyung Jin Nim, who was kicked out of his positions and falsely accused of disobedience, when he was the one willing to give up everything to protect True Father's words and legacy.

Each of us will inevitably go through such dark periods of doubt when Satan tries to snuff out our faith and spiritual lives. But by persevering and digging deeper into our relationship with God, we can be victorious and receive the "crown of glory"!

Angela Schmid Seonghwa Ceremony, 4/6/2018

On Friday, April 6, a moving Seonghwa ceremony was held to honor the life of a beloved sister, Angela Schmid, who moved with her husband, Herwig, from their hometown in Austria to Pennsylvania and were among the strongest supporters of True Father's anointed heir and 2nd King of Cheon Il Guk, Hyung Jin Nim.
