

The Providential Time We Are Living In!

Except the LORD build the house, they labour in vain that build it: except the LORD keep the city, the watchman waketh but in vain. Psalm 127:1

Under persecution, every moment of my life was worse than death. Under piercing agony and difficulty, I had to bless the people who persecuted me. I prayed for those people, and I consoled God's heart. I was even sympathetic with Him, knowing what He was like. I knew that God was the person of greatest patience. I knew that God was doing everything and anything for the sake of

mankind. If we follow the example of God and the men of God's choice, I know we cannot be failures.

Dear

Jim Stephens

Hyung Jin Nim asked that this Sunday Service be devoted to reflecting on recent historic events. Testimonies were given by Lourdes Swarts, Jim Stephens, Shigeru Tashiro, Victor Moon, and Miho Panzer.

Jim Stephens spoke about how something has changed since the 7th Anniversary of True Father's Seonghwa. God's power is being unleashed. He spoke about Mark Taylor, a 3rd generation firefighter in Orlando, FL who received revelation in 2011 that Donald Trump would become president of the United States and the amazing way this prophecy spread to hundreds of Christian ministers all over the country who mobilized the prayers of tens of thousands towards the election of someone who was hated by the Deep State, but approved to accomplish God's will.

Lourdes Swarts

Lourdes shared how a 172 Clergy minister who attended Hyung Jin Nim's 40th birthday testified that "the anointing of God is here!" Shigeru spoke about his experience going sky-diving with the CIG constitution in his pocket as encouraged by the 2nd King and the development of his own relationship with him. Victor Moon shared about his life as a break dancer to finding Hyung Jin Nim as his role model. Miho Panzer spoke with tears about how blessed we are to have lived at the time of the Second Coming of Christ and now to support Hyung Jin Nim as Father's anointed heir.

Testimonies and Reports (Sanctuary Sunday Service 9/8/19)

Then Sanctuary Director of International Missions Tim Elder gave an overview of the tumultuous history we have seen during the past several years.

In July, 2012 True Father gave the astonishing comment that he had no wife, and asked "who is going to marry me?" We later learned from Rev. Yu Jeong Ok that True Father told him, "Hak Ja Han has betrayed me."

Without a faithful bride, there cannot be True Children and True Adam cannot have dominion over the creation. Jesus asked his mother to find him a bride, but he was only able to take his messianic position after his resurrection.

True Father went to spirit world in September, 2012 to give Hak Ja Han one more chance to choose the righteous path on her own by submitting to True Father's lineage and placing the crown on her anointed son instead of herself. 2013 was to be the D-day and the Perfection Level Cosmic Blessing, but it turned instead into a tragedy.

Victor Moon

True Father taught that the Fall involved a sexual relationship between the Archangel and Eve and then her with Adam. Restoration involves a fallen woman having a relationship with unfallen Adam and then with her spouse in the position of the Archangel. The Holy Wine, representing the sexual relationship, is given first to the bride, who then gives it to her groom who is in the Archangel position and is consequently restored into the position of a son of God.

What actually happened on the false Foundation Day, Feb. 13, 2013? The Holy wine was given by Hak Ja Han alone. She teaches that Sun Myung Moon is not the messiah, but instead that she is. That he was born fallen and his mission was to find

the Only Begotten Daughter.

Tim and his family were also deceived when they participated. The Blessing was taken away from all who took the wine that represented Hak Ja Han's fallen lineage. After that, True Father gave all Unificationists three years, by his birthday in 2016, to come back to his lineage.

Shigeru Tashiro

The past 7 year course since Father's passing was to bring the providence back on track. Father guided Hyung Jin Nim to start a new ministry in March 2013. He went into the wilderness, praying in the bitter winter cold, where he realized deeply that True Father and Jesus are one. In March 2015, he gave the "Breaking the Silence" sermon, which gave a painful message, but saved many spiritual lives. It was his duty to denounce what Hak Ja Han had done and is doing. All humanity owes the 2nd King deep gratitude.

On August 30, 2015 (the 6th year of Cheongi), Kook Jin Nim prepared crowns and placed those on heads of Hyung Jin Nim and Yeonah Nim. True Father taught that heaven

begins with "2 becoming 1." This unity of Cain and Abel became the 1st Foundation for God to restore the authority of True Father in the face of the Han Mother's rebellion.

Kook Jin Nim's victory was in realizing that Cain is necessary. When True Father appointed Hyung Jin Nim he told him that he should rely on his older brother's advice and guidance.

Miho Panzer

In Rev 12:1-17 we could see the prophecy of Hyun Shil Kang coming to America in December 2016 on the "wings of an Eagle" to give birth to a son who would rule with a "rod of iron." On September 23, 2017 the Cosmic Marriage Ceremony of True Father Sun Myung Moon and True Mother Kang took place.

On Feb. 28, 2018 Book of Life Registration Blessing was the long awaited event for all saints to enter into heaven. Satan tried to stop this from taking place with the horrific Parkland shooting that took place on February 14.

We have been in a course to accomplish what should have taken place on Feb. 13, 2013. It is now done! Now there will be an

expansion and growth of God's Kingdom on Earth.
