"Therefore prophesy concerning the land of Israel, and say to the mountains, the hills, the rivers, and the valleys, 'Thus says the Lord God: "Behold, I have spoken in My jealousy and My fury, because you have borne the shame of the nations." Therefore thus says the Lord God: "I have raised My hand in an oath that surely the nations that are around you shall bear their own shame. But you, O mountains of Israel, you shall shoot forth your branches and yield your fruit to My people Israel, for they are about to come. For indeed I am for you, and I will turn to you, and you shall be tilled and sown. I will multiply men upon you, all the house of Israel, all of it; and the cities shall be

inhabited and the ruins rebuilt. I will multiply upon you man and beast; and they shall increase and bear young; I will make you inhabited as in former times, and do better for you than at your beginnings. Then you shall know that I am the Lord. Ezekiel 36:6-11

You must all now engrave my teachings onto your bones and lead a life of practicing them. We have no choice. If we do not prepare now we will surely be left behind. We should learn from the courage and fortitude of the white-necked cranes that fly across the Himalayas, which are more than 7,000 meters high, in preparation for winter.

I already have prepared the last words I will give to humankind. These words have been prepared based on my seven triumphs over life-or-death situations, including six periods of unjust imprisonment. I have left behind eight different volumes of books as the textbooks and teaching materials for humankind for all eternity. Dear

In Sunday's service, the 2nd King explained that True Father was a champion wrestler who loved to watch Mixed Martial Arts videos together with Hyung Jin Nim. He feels that the young people he has been training are ready to do competitive fighting. There is great value in testing your skills against opponents who have no sympathy for you. In the battle, you can still have peace. The Peace Militia fight team will be formed in the coming year!

"I Am For You, And I Will Turn Unto You"  
Sunday Service 12/29/19

God promised the chosen people the land of Israel, but not through magic. The land had to be taken and held through battle. After leaving Egypt, they were fighting against enemies who practiced child sacrifice and ritual prostitution. The *Our Father Forsaken* book discusses an archeological document about an Egyptian father who sold his daughter to the temple to be a prostitute.

The Bible speaks not about metaphorical sovereignty, but rather about sovereignty over real land and possessions. Imagine if Socialists took over America and God's people were forced to disarm and unable

to defend themselves. America must not bear the shame of the heathen culture that rejects God and persecutes believers.

Book of life Registration Blessing 12/29/19

In 1948 Israel was a desolate place, a desert. But it now produce 95% of their own produce and exports to many other countries. It is now the #1 exporter of oranges to Europe.

In Ezekiel 36, God is already speaking to the land so that it is prepared for the chosen people. He also commands His prophets to declare the end of His judgment of the Jews. He will liberate His people and the earth will yield its fruit.

Romans used to crucify people alive, with their eyes to be eaten by crows. Assyrians skinned their enemies' bodies and hanged their skin for all to see, but Jews and Christians had to follow strict rules of engagement. They are not allowed to drag the carcasses of dead opponents in the streets. Loving your enemy however does not mean you let him kill you.

The Greek word for repent is metanoia which is a military maneuver to turn troops around. A believer must turn away from Satan in order to pursue God.

Later, after the service, a beautiful blessing ceremony was held for three young couples visiting from Japan, with other couples around the country participating online.

### Andrew Wilson vs Sun Myung Moon

In an essay posted on the FFWPU International Headquarters website dated December 17, 2019 titled ["Why Does True Mother Call Herself the Only Begotten Daughter?"](#), UTS professor Andrew Wilson makes a startling statement about the status of True Parents:

**"The Parent position (is) not secure. This should be a cause for concern."**

This is a shocking admission from FFWPU's lead theologian, since we have been repeatedly reassured since Father's passing that everything is fine with the Only Begotten Daughter's leadership, since, you guessed it, "True Parents are One."

Here is Andrew's statement in the two paragraphs where it appears:

*I have come to the realization, based on my study of the Principle, that in calling herself God's daughter, True Mother has in fact lowered herself. Her proclamation is not puffing herself up, but is actually going down, from the parent position to the child position.*

*There is only one reason she would do that: **The Parent position was not secure. This should be a cause for concern.***

### **Cancelation of the Perfection Stage Blessing of True Parents**

As evidence Andrew refers to Father's cancelation of the Perfection Stage wedding that was to take place on God's Day 2012. I do think it is significant that the Family Fed has finally admitted that True Father's Formation Stage blessing to Hak Ja Han in 1960 and the Growth Stage blessing in 2003 were never completed at the Perfection Stage level.

However, instead of an honest discussion about the real reasons why the third stage Blessing was not fulfilled, Andrew comes up with a novel theory. According to him, the Perfection Level Blessing of True Parents never took place because:

*Cain and Abel were not united. In particular, this condition was absent in 2012, which caused True Parents to cancel the third-stage Holy Wedding. True Father expected that his eldest living son, Hyun Jin Moon, who had built a foundation in the political realm (Cain), would unite with his youngest son, Hyung Jin Moon, whose foundation was in the religious realm (Abel). But instead of the Abel son winning the natural support of the Cain son to unite as Jacob and Esau did, these two sons were locked in a fierce battle over inheritance.*

This "Cain/Abel failure Caused True Parents' Position to be Insecure" theory contradicts Father's own words, but more fundamentally it contradicts common sense. ***It is like saying that Cain's murder of Abel caused Adam and Eve to fall.***

What did Father say about the status of his relationship with the Han Mother? In his speech on July 7, 2009 in *Owner of Peace, Owner of Lineage*, he suggested there were problems in their relationship:

*Although I'm leaving and abandoning the United States, I've made teaching materials. They are Mother's teaching materials, and your teaching materials. If Mother can't do it, or has made mistakes, you have to be able to say, "Mother, you have to repent. Unless you receive the Blessing again from me, there is no way for you to live."*

On March 26, 2012 at King Garden, Hawaii, he explained why the Perfection Level Blessing was canceled:

***God wasn't finished with His creation. Individual perfection of the creation wasn't done yet. The perfection of a couple wasn't done yet. These must be done.***

In other words, the Perfection Level Blessing could not take place because Father and Mother were not united. Nowhere does Father mention a Cain-Abel problem as threatening the True Parents' Blessing. (Click [here](#) for a more detailed discussion.)

### **Andrew's "Heavenly Mother" Feminist Theology**

In Andrew Wilson's world, the Han Mother was a passive victim with no responsibility or involvement with failures that led to the cancelation of the Perfection Level Blessing. It was her sons' fault. How convenient.

This does however fit in with the "Heavenly Mother" theology that Andrew taught to large groups of church leaders in Korea, Prague (April 8-10, 2016), etc. where he described the compassionate, consoling nature of the morally superior "Heavenly Mother" who wanted to embrace and forgive the fallen Eve versus the judgmental Heavenly Father who gave a "fear-based commandment" (slide 30) and "curse(d) her" (slide 29). He actually portrays the commandment as vindictive "test" from Heavenly Father who just "watches" His "child suffer." This makes sense, since according to Andrew, "Male Thinking" is Win-Lose: "One side has to submit to the other, to defeat Satan." (slide 34)

For Andrew, "True Mother is as Heavenly Mother" who "see(s) the value in each of her children." (slide 36) REALLY?? Did the Han Mother see Hyung Jin Nim's value when she had him fired from 5 different positions in Korea within weeks of Father's passing and then had him fired from his position as American church president a few months later? Did she see value in him when she refused to see him in 2014 and sent out 40 bodyguards to block him from entering the Cheon Jeong Gung palace?

### **Preston vs. True Father**

Andrew's charge that Hyung Jin as the "Abel son failed to win the natural support of (Hyun Jin as) the Cain son," and that "these two sons were locked in a fierce battle over inheritance" is contradicted by a few facts.

The Family Federation initiated the lawsuit against Preston and UCI in May, 2011, while True Father was still alive. Does anyone really believe that Hyung Jin Nim launched this lawsuit on his own? Secondly, after Father passed in September 2012, the Han Mother could easily have chosen to stop the lawsuit against UCI, but she did not do so. In fact, where is the evidence that she made any efforts to reconcile with either son after Father's passing?

Regarding the alleged "succession struggle" between the older brother Preston and his younger brother Hyung Jin, wasn't that really a struggle between Preston and his own father, who requested that Preston spend a year at his side and return control of \$2 billion in assets that Preston did not create?

Hyung Jin Nim did not appoint himself. [True Father did so in three ceremonies in 2009.](#) In June 2010 Father wrote with his own hand:

*The command center of cosmic peace and unity is the absolute and unique command center. Its representative and heir is Hyung Jin Moon. Anybody else [who claims such a position] would be a heretic and one who brings things to destruction. The above content is True Parents' proclamation.*  
June 5, 2010; Korea  
Declaration and Will

What did Father say about his oldest living son, Hyun Jin? His words to Mr. Kamiyama on July 16, 2010 on a boat during a fishing trip in the United States were as follows:

Rev. Sun Myung Moon [SMM]: *Nobody but I, understands the internal situation. If you guys deal with situations on your own terms - the result will only stay in the horizontal realm. **Everything must be connected to God. That's why everything must be connected to me. However, nobody wants to do so, for example Hyun Jin. So far only Kook Jin and Hyung Jin are connected to me.*** (Video posted at [vimeo.com/290580086](http://vimeo.com/290580086))

### **Cain-Abel Unity WAS Accomplished**

Andrew does raise a valid point about the importance of Cain-Abel unity. Fortunately this was accomplished while True Father was still alive. In June, 2011 True Father said in Las Vegas:

*God is not necessary, Parents are not necessary. The first son is not necessary, and the third son is not*

*necessary, but the youngest son is necessary, even for True Mother, who is Hyung Jin. Also Kook Jin is necessary too. Two sons.*

June 21, 2011 Hoon Dok Hae, Cheon Hwa Gung, Las Vegas, NV

A year later, just three months before he passed, [Father said:](#)

*Kook Jin and Hyung Jin, these two sons have become united as Cain and Abel!"*

June 5, 2012 Cheon Hwa Gung Las Vegas, NV

If you find it difficult to believe that the gun-loving "tough guy" Kook Jin Nim could humble himself to his younger brother, here is his moving, tearful testimony about why "[I can truly serve my younger brother.](#)"

### **Final Thoughts**

The Family Federation must be getting many rejections of the Han Mother's "Only Begotten Daughter" theology to publish Andrew Wilson's unconvincing attempt to justify her claims as an act of humility to make up for the failures of two sons. Her own grandiose portrayals of herself as "Mother of the Universe" belie Andrew's explanation better than I could. As Jesus explained in Matthew 23:12, "Whoever exalts himself will be humbled, and whoever humbles himself will be exalted."

It is precisely her repeated statements that praise only herself, with no expression of love or respect for her husband, Sun Myung Moon, who came as the Returning Lord of the Second Advent, that are leading to her downfall. The two sons that she drove out are precisely the ones whom True Father trusted to carry on his teachings, traditions and lineage.

Admittedly, for many Unificationists this is a shocking and painful reality to digest, but more and more brothers and sisters are waking from their troubled slumber.

Sincerely,

Richard [Panzer]

## Why Does True Mother Call Herself the Only Begotten Daughter?

Andrew Wilson  
December 16, 2019

Since August 2014, Hak Ja Han Moon, the widowed spouse of Rev. Sun Myung Moon whom FFWPU members call True Mother, has been proclaiming herself “the only begotten Daughter.”

The title itself is well-established in Rev. Moon’s teaching: “The only begotten Son needs the only begotten Daughter” (May 1968), and “The Messiah, who comes as the only begotten Son, must find the only begotten Daughter” (January 1989). Yet, Mother calling herself by this title has caused some members considerable consternation.

First is the matter of disabusing Christians that Mother is not equating herself with God. This is because Christians understand the scriptural title “only-begotten Son” to mean that Jesus is God. Consider the Nicene Creed:

I believe in one Lord Jesus Christ, the *Only Begotten Son* of God, born of the Father before all ages. God from God, Light from Light, true God from true God, *begotten, not made, consubstantial* with the Father...

Andrew Wilson

Jesus was “begotten,” not at his human birth but “before all ages.” It means he is of God’s very substance (*consubstantial*), “God from God.” He is made of God-stuff, not mortal flesh and bone.

However, “only begotten Son” in Unificationism means something very different. First and foremost, Jesus is a human being.

His being only-begotten means he is the originating point of God’s lineage — Adam, had he not fallen. He is only-begotten because his birth on earth was based on the special conditions made by Tamar, Ruth, Rahab, Bathsheba, and Mary so that he uniquely could be conceived and born in God’s lineage. Unificationists know the story; I need not go into it here.

Yet beyond the terminology and all the efforts to explain it, I was left with the question, “Why?” Why does Hak Ja Han Moon, who is already the True Mother of the universe, call herself the only-begotten Daughter? I have met members who criticize her, saying she is exalting herself above Father. Some even ascribe to her the motive of dissatisfaction with Father. In my view, she is too committed to the providence to allow herself to be captivated by such petty concerns. There should be a serious providential reason.

I have come to the realization, based on my study of the Principle, that in calling herself God’s daughter, True Mother has in fact lowered herself. Her proclamation is not puffing herself up, but is actually going

down, from the parent position to the child position.

There is only one reason she would do that: The Parent position was not secure. This should be a cause for concern.

Consider that after Rev. Moon's passing, True Mother was disrespected. She was not recognized by some as having the authority of True Parents in her own right. This despite that Rev. Moon had proclaimed in 1992, "Until now Mother has been following me, but... now she stands at my side." Again in 2003, he declared that True Mother was co-equally True Parents in every respect.

The problem came to a head almost immediately, when True Mother published a revision of the scripture *Cheon Seong Gyeong*. Although she gave good reasons for revising the text, objecting voices were raised from every quarter: "These are Father's words; how dare Mother alter them!" This made it plain that for many members, True Mother's authority only derived from True Father. They regarded True Father, the Messiah, as the only one with the authority of the Word, and in telling Mother not to revise them, they were in effect saying that Mother's position was merely that of a disciple. They did not believe she stood side-by-side with Father, but rather stood behind him.

This was actually an outright denial of who True Parents are. To say that the dignity of True Parents only depends on True Father, while True Mother is respected only because she is True Father's partner, undermines the value and purpose of True Parents. It was a negation of all that True Father did to raise up True Mother in order to fully establish the position of True Parents.

We say that in True Parents God established an ideal family. But how can any family be ideal if only the husband is perfectly aligned with God while the wife is not? If the husband is worthy of respect while the wife is not? Even among secular families, we regard those in which husband and wife both share in the responsibilities and burdens of family life as superior to those in which the husband carries the entire weight of the family on his shoulders.

Rev. Moon in heaven would be distressed to see that all his efforts to establish True Parents as a couple of unity, equality and oneness before God were in vain. He once said, "If Mother did not stand next to Adam, then Adam, who was on his way to God's throne, would have to turn back and re-inherit the exit path." (*May You Blossom, My Beloved*, p. 150) Yet Rev. Moon is in the spirit world and cannot do anything about it. The task of "re-inheriting the exit path" fell upon True Mother.

Therefore, Mother exited from the position of True Mother and took up the position of God's daughter. She had to re-establish her position as God's daughter, who fulfills the First Blessing of individual perfection as God's perfect object partner, before she could stand as True Mother who fulfills the Second Blessing with True Father. The First Blessing should precede the Second Blessing. Therefore, True Mother lowered herself to the child's position — the only begotten Daughter. She embarked upon the mission to re-establish that position as a public position recognized before heaven and earth.

Let us look at this from the perspective of the Principle of Restoration. According to *Exposition of the Divine Principle* (p. 197), after Adam and Eve fell, God worked with their sons Cain and Abel to establish the foundation for the parents to be recovered. They were supposed to make the foundation of faith and foundation of substance; and on that foundation Adam and Eve could once again stand as the Parents.

True Parents followed this principle as a consistent formula. In 1960 the members made a foundation of substance between the church members (Cain) and the three first engaged couples (Abel) as the foundation for True Parents' Holy Wedding. In 1992, Cain-Abel unity of Koreans living in Japan, between the pro-North *Chosoren* and pro-South *Mindan*, mediated by WFWP led by True Mother, was the foundation for the public proclamation of True Parents' messiahship, the beginning of the international Blessing movement, and start of the Completed Testament Age. In 2003, unity between the Ambassadors for Peace (Cain) and the FFWPU members (Abel) was the foundation for True Parents' second-stage Holy Wedding.

However, during the years immediately before and after True Father's passing, Cain and Abel were not united. In particular, this condition was absent in 2012, which caused True Parents to cancel the third-stage Holy Wedding. True Father expected that his eldest living son, Hyun Jin Moon, who had built a foundation in the political realm (Cain), would unite with his youngest son, Hyung Jin Moon, whose foundation was in the religious realm (Abel). But instead of the Abel son winning the natural support of the Cain son to unite as Jacob and Esau did, these two sons were locked in a fierce battle over inheritance.

True Mother, during the last year of True Father's life, encountered only faithlessness and disunity wherever she looked. The True Children disunited. Major leaders disunited. Consequently, at True Father's *Seonghwa*, there were only meager expressions of support from the wider public. The audience at that event was largely made up of members with only a smattering of leaders from society — a

considerable decline compared to the audience at the 2003 Holy Wedding.

True Mother said, “Heaven wanted the Holy Ascension Ceremony to be done in a place where the current heads of all nations of the world recognized True Parents’ status on the national level. However, that situation did not even happen. I was in the position of having to finish the providence alone” (Feb. 15, 2019). I remember well Mother’s sad face standing alone at the ceremony. It seemed to me at the time that she was expressing her human emotions grieving over the loss of her husband. But now I realize that the cause of her sadness was Heaven’s heart, bemoaning the lack of victory, the lack of public recognition that should have come to Father at that historical moment.

*Opening Ceremony of the African Continental Summit – Niger 2019, November 28, 2019, Palais des Congrès, Niamey, Niger*

So, to shore up the crumbling foundation for True Parents, Mother lowered herself. She took up the child’s position to stand as Abel, in order to restore the foundation for the Messiah, just as Jesus lowered himself to the child’s position to take up the mission of John the Baptist when he was not recognized. Father had done the same when Christianity did not support him.

According to *EDP*, God never intended for Jesus to go a path of suffering, but when those responsible to lay the foundation proved faithless, Jesus took responsibility to lay it himself. Specifically, when John the Baptist did not prepare the way for Jesus, Jesus had to prepare his own way:

Jesus, who came as God’s only begotten Son and the Lord of Glory, was not meant to walk a path of suffering. Rather, it was for John the Baptist, born with the mission to make straight the way of Jesus, to go through tribulations. However, because John did not complete his responsibility, Jesus had to undergo suffering in John’s place. (p. 271)

Father did not intend for True Mother to walk a path of suffering either. But when those who should have supported her failed to fulfill their responsibilities, she lowered herself to fulfill it for them — taking the child position.

To restore the foundation of faith, True Mother undertook three years of mourning at True Father’s *won jeon*. This was a duty which traditionally would be carried out by the eldest son. Of that time, she said,

Since True Father’s *Seonghwa*, he has lain in the Bon Hyang Won, and I go there every day to offer devotion... In Korean cultural tradition, when a parent of a noble family passes away, the children mourn at their parents’ graves for three years. You do not go back and forth from your home; rather, you live in the mountains, by the tomb. You do not eat decent meals, nor do you wear decent clothes. You cannot light a fire, even during the cold of winter. In Korea, a lot of snow falls in the winter. Yet for three years you live by the side of your parent who is buried there. After doing this, you can be called a filial child.

What about you? You should be doing *Hoon Dok Hae* every day, reading Father’s words with this heart of attending him every day. It is for you to inherit the tradition that True Parents want you to uphold. (*Chambumo Gyeong* 13.2.2.10)

After True Mother restored the foundation of faith in the position of a child, she was ready to stand as Abel for making the foundation of substance. To establish her position as the Abel child, she took up the title “only-begotten Daughter.”

To understand this better, I encourage you to read the Moses and Jesus chapter of *Exposition of the Divine Principle*, which explains Jesus’ course in this manner. It explains that Jesus went down to the child position after John the Baptist disbelieved. In that position he fasted for 40 days to restore the foundation of faith. Then he stood in the position of Abel for fulfilling the indemnity condition to remove the fallen nature. That indemnity condition would be for Jesus to gain the support of the Jewish people, as John the Baptist had done.

Think how difficult it was for Jesus. Lacking proper support from John the Baptist, the man in the child position who should have brought Israel to him, he had to take up that position himself. Paul wrote that “he humbled himself and became obedient to death, even to death on the cross.” (Phil. 2:8) So now Mother is traveling the world, enduring an arduous schedule of rallies and public appearances despite her frailty and advancing age, to restore the recognition that True Parents are meant to have. Far from being the Mother of glory, she goes about her providential task as the Mother of suffering.

Mother has been working to restore the children’s unity. First, with respect to the True Children, she raised up Hyo Jin Moon and placed him side-by-side with Heung Jin Moon as the faithful Cain and Abel sons in the Cheong Pyeong prayer hall. At least she could stand on these sons’ spiritual unity. Next, with respect to the church elders, Mother gave special recognition to Dr. Bo Hi Pak and Rev. Yo Han Lee upon their passing. Then, she chose dynamic second-generation leaders who would support her with absolute faith, love and obedience. Finally, to restore unity with the wider public, Mother is holding rallies throughout the world.

With all this, True Mother is preparing to offer the foundation of substance of Cain-Abel unity as the foundation for True Parents in 2020. Cain includes the faithful members of the True Family including the grandchildren; it includes the FFWPU members and their restored tribes; and it includes the many religious and political leaders who have bonded with True Mother. They, in the Cain position, are all supportive of the only begotten Daughter in the position of Abel. Together they are about to offer to Heaven a victorious foundation of substance for national restoration.

Perhaps with this explanation, you can understand why Mother has to do this work in the position of the only begotten Daughter rather than as True Parent. She may appear to be sidelining Father, but that is not the case at all. To “re-inherit the exit path” of the child’s position was a providential necessity.

What may Father looking down from heaven think of this? Is he upset that Mother is putting herself ahead of him? Not at all! He is cheering her on. He is rooting for Mother to be victorious. Seeing Mother going the same course that he went, struggling for recognition amid broken and failed foundations and overcoming by herself as he did, makes Father love and respect Mother even more. When Mother ascends and he greets her, he will be greeting a woman who is every bit his equal: equal in experience, in suffering, and in accomplishment. Her difficult course only expands the base for them to share love eternally as a couple. Thus, in the end, supporting Mother to be victorious as the only begotten Daughter is a love offering to True Father.

## Declaration Ceremony

*Sun Myung Moon*

*June 5, 2012*

*Cheon Hwa Gung in Las Vegas (4. 16 HC)*

Note: These notes are taken from the web page 통일교. This translation cannot be published as definitive texts and should never be used in the future as an "official" publication of True Father's words. However, they do provide a good idea of the "spirit" of the message. -- Rev. Katsumi Kambashi

Mrs. McDevitt continued to read Father's speech from the Sermons of the Rev. Moon volume 52, titled 'God's Providence and the Turning Point of History.'

After the reading, True Parents held a declaration ceremony, which was to establish the original order of creation. This ceremony is related to the previous ceremony that True Parents had held on 3. 5 HC (Mar. 26, 2012) at the King Garden in Hawaii. The previous one was to proclaim the unification of Abel and Cain worlds through the perfection and unification of Adam and Eve. (Katsumi: the following content in italic is the information I sent regarding the previous ceremony held on 3. 5 HC / Mar. 26, 2012)

[True Parents' Proclamation on 3. 5 HC \(Mar. 26\) at the King Garden in Hawaii](#) (from a video clip of Peace TV):

True Parents arrived at the King Garden after Father had welcomed Mother at the airport. Right after Father got off from the car, he had Rev. Ki Hun (Peter) Kim to do 'Og Mansei for the Abel UN.' Then in the King garden, True Parents stood hand-in-hand, Shin Deuk Nim stood behind them, and Hyung Jin Nim, Shin Jun Nim, and Yeon Ah Nim also stood hand-in-hand in front of True Parents. Father said,

"We will do Mansei for the Cain and Abel UNs, Mansei for True Parents, Mansei for Hawaii and the assembly in Washington D.C.. Do you understand? This is being recorded. (Father told to check the recording machine.) As of now, the Abel UN hasn't been announced yet. We have to say Mansei for the Abel UN, Mansei for True Parents, Mansei for the Cain and Abel UNs, Mansei for the East. West and True Parents, and Mansei for the Blessed families in heaven and on earth. (Then Father initiated Mansei as follows).

천지통일기반 위에 서 가지고 아담해와가 하나 완전히 일체 완성됨으로 말미암아 가인 아벨 세계가 갈라진 것을 통일선포하는 시간이 되어서 천지인 참부모가 중심이 되어가지고 가인 아벨 세계통일 만세 ('Mansei.') 승리한 천지인참부모 만세 ('Mansei.') 하늘 땅을 통일한 하늘 땅의 일체이상 모든것을 해와가 되 가지고 종결을 지을 수 있는 모든 천지의 통일적 통일 만세 ('Mansei.') 참부모 정착 안착 영원할지어다. 하나님 해방, 밤의 하나님 해방, 참부모 일체권 완전통일 일체완성 만세 ('Mansei.') Sit down. 모든 전부를 참부모 해방, 가인 · 아벨 해방 유엔 발표한 그 위에서 보고하나이다. 완성으로 받아 주시옵소서! 박수."

(Katsumi: What Father basically proclaimed was "It is time to be able to proclaim the unification of the Cain and Abel worlds that have been separate, thanks to the unity and perfection of Adam and Eve. Mansei for the unification of the Cain and Abel worlds centering on True Parents, Mansei for victorious True Parents of Heaven, Earth and Humankind, Mansei for the unification of heaven and earth that can conclude everything through Eve, Mansei for the liberation of the God of Night and for the perfected unification and the realm of the unity of True Parents.")

Prior to the ceremony that day (4. 16 HC / June. 5, 2012), Father emphasized the importance of the sub-header in his speech that they read that day, which is "A New History begins from True Parents." Father said, "On the victorious foundation of the 96% accomplished by God and True Parents, only when you fulfill the rest of the 4% in order to make 100% in total, will the liberated kingdom, heavenly nation and the heavenly people who live up to the principle be established. I hope that you do not forget what I said."

Father told the participants to stand up, and then True Parents stood up and held the declaration ceremony:

"In the name of True Parents, we declare that this is the moment when True Parents and the Heavenly True Parents of Heaven, Earth and Humankind (참부모와 하늘 천, 천지인참부모) have a ceremony of the perfect and firm settlement. (Aju!) Restoring one, two, three and four, this will be eternally succeeded through the tradition of the Four Position

Foundation. (Aju!). True Parents and all the participants who are standing here today know that we, eternally attending Heavenly Father, are entering the four dimensional world (4차원 세계) centering on the first, second, third and the fourth ancestors by fulfilling 4% of the portion of responsibility together with True Parents, and so this can't help but take place. Aju! May Heavenly Father be eternal! We shall prosper for millions of generations and eternally. Aju!"

Then Father explained after the declaration ceremony in Hawaii, that Cain and Abel have been united. He said,

"In my family, who is the owner, Sung Jin (Father's son born in 1946) or Hyung Jin? Who gave birth to Sung Jin? True Mother? Sung Jin omma (which means Mrs. Sun Gil Choi)? Somebody else? Kook Jin and Hyung Jin, these two sons have become united as Cain and Able!"

Through the ceremony that day, Father proclaimed the perfect and firm settlement of True Parents and Heavenly True Parents of Heaven, Earth and Humankind (참부모님과 하늘 천지인 참부모님 완전 정착식), and also declared the unification of Cain and Abel. We have 260 days to go before D-Day, and that day is an example to see that True Parents have been fully preparing themselves wrapping up one by one according to the heavenly program.
