Today there is a lot of suffering in our World. It is extreme today. This is the End of the world time and thus Unificationists cannot and needn't take sides as our work is to show the lighted way through the opinionated Situations.

The articles are many and Heavenly Father is surely suffering a lot as children hurt one another.

Our prayers are present in the world and give a way to comfort Heavenly Father aching heart.

Such extreme situations at the same time are perhaps only the beginning.

Understanding and forgiveness are qualities which can be learned and practiced.

I am sure the situation Palestine Israel makes us grieve.

The missing Nigerian girls are still in the Boko Haram hands.

The Russian Ukraine fighting. Syrian children - a lost Generation?

The Iraq extreme group Islamic State.

Many situations , not to speak about Ebola!

Our prayers can guide the spirit world.

We are a small cosmos.

Sending love and wishes
