

FFWPU South London, UK Family Camp 2019 at Belchamps Scout Camp

Simon Rosselli
May 1, 2019

Location: [Belchamps Scout Camp](#)

Arrivals: 26th July – Friday afternoon/evening (dinner provided)

Departures: 31st Wednesday mid-morning (take away lunch provided)

Cost per person: £90 with no family paying more than £340. The last four years the price remained the same. However, we have had to make a slight increase this year due to the increased costs we face each year, such as renting the scout camp, food, activities etc.

There is no day rate. We would like everyone to stay from the beginning to the end of the camp to make it run smoothly. You are welcome to come for a few days, but will still pay full price.

Activities: Family Day will be Kayaking at Alton Water again – included at no extra cost!!!

Lots of fun and exciting activities such as Balloon Sumo and Football, Fortnite, Water Balloon Catch, Go Kart Racing, Pioneering, Climbing, Bungee-Run, Sports Day and Camp Fire. We will also go to the beach for swimming and boating. The schedule is designed with plenty of time for the kids to play Hyper Animal, Football and Volley Ball, and for adults to chill out with each other. We will of course be holding our Day of Heart and Skits on the Tuesday evening, followed by Ajay Rai's review and final prize giving.

For parents, grandparents and anyone 18+ who would like to join, we will be running early morning sessions on enriching a spiritual lifestyle. Prepare yourself for some heartfelt sharing and learning. Additionally, we will have some organised fun and games. There is a morning scheduled for all the women to bond and the men usually organise an ad hoc at some point during the camp. We will also have our own personal Yoga and Tai Chi instructor.

Most of all you and your family can spend some quality time together, and as a community, in a beautiful environment. It is a great opportunity for the kids to spend time with their peers and build those precious relationships which will carry them in good stead for the future. Apart from building new relationships, the camp gives us the time and space to strengthen the ones we already have and bring us closer as a community. If any young adults would like to help run an activity or help in anyway, please let me know.
