

Interview and Confession Form for BC Matching/Blessing Applicants

It is the responsibility of your District Director (or the designated church leader or STF Director), representing the Continental Director and True Parents, to make sure that you understand the value of the Blessing and that you are prepared and qualified to attend. This confidential meeting is also your opportunity to confess any sins and perhaps receive guidance so that you can go into the Blessing with a clean conscience, free from accusation. Sin came into this world through the fall and cut us off from God, therefore it is important to confess your sins. Do not try to hide your mistakes because they will eventually come out and cause even more pain. The confession pages will stay confidentially with a representative of the Blessing Department. All three pages must be submitted to the Blessing Department.
