Re. : Special Grace from the 10.14 True Parents Cosmic Blessing Ceremony

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

This is to announce the details for a special grace to be given to couples who had fallen or are struggling with such problems prior to the "10.14 True Parents Cosmic Blessing Ceremony" held on October 14, 2009. Please guide such families so that they may all be liberated without exception.

1. Background of special grace: "As we entered the era of the kingship of the king of kings, all blessed families should receive the blessing and make a new beginning. All blessed families should make their mind and body like those of a virgin and should take part in the Blessing Ceremony without fail." (Excerpt from True Father's speech)

(Through this we can understand that this Blessing Ceremony is an inclusive one of bestowing grace upon all families that take part in this Blessing Ceremony on the condition of completely repenting of all their past mistakes in their life of faith including unprincipled problems which have been unresolved until now, thus allowing these families to be reborn as new blessed families who have received the blessing grace on the cosmic level. Therefore, all families that take part in this Blessing Ceremony should establish a condition, based on their conscience, of the devotion of fully repenting before this absolute blessing grace from True Parents and making a new beginning.)

Based on True Father's guidance, such families that take part in the Holy Wine Ceremony and Blessing Ceremony should complete the indemnity conditions described in the attachment.

2. Please refer to attachment regarding the type of families that can receive this grace and the indemnity conditions that they should lay.
3. Administrative Matters
 - 1) Families that should receive this special grace should contact the Family Department office at the Regional Headquarters or the National Headquarters of their nation. (Couples that do not report cannot receive this grace.)
 - 2) Families that require a holy handkerchief for carrying out the 3-day ceremony should request one from the Family Department after completing the required indemnity conditions.
 - 3) Please submit the following:
