Today 38 years ago I heard for the first time that the Messiah, the Lord of the Second Advent is on earth

I was attending a 2 Day Divine Principle workshop in a very nice town. The place was called "Bauernhof". (Farmhouse).

I still remember how this big news has completely filled my heart with so much joy. I was truly overwhelmed by this message of "The Lord Is Here".

From that moment I knew my Life will never be the same anymore, I wanted to follow "My Lord" our True Parent's.

Clearly, this was a moment of my spiritual Enlightenment.
