The Madison Family Church in Wisconsin celebrated True Heavenly Parent's Day in a unique way this year. They conducted a "speed sharing" activity that provided one-on-one sharing but in only one-minute segments. This kept the energy lively, and young and old alike could share together many personal things. Through the activity everyone was able to learn a little more about each other. It was a very stimulating experience for everyone and it even went a little longer than planned!

Afterward, the group held a trivia contest with teams of three, which was organized by young Unificationist Rosia Schmidt. Several categories were included and it challenged everyone's trivia skills. Prizes were given to the top teams.

On Monday morning, February 8, families held pledge services in their homes at 7:00am in unified prayer
