Dear,

Did you know that a membership with Women's Federation for World Peace gives crucial support to our organization, so we can continue special projects like WFWP Schools of Africa: 10 schools in 8 African countries, bringing education, job skills, vital services, and hope to thousands of women and children!

Can you imagine not having access to basic literacy education? Not knowing how you can educate and better the lives of your children?

One of our African schools is One Hope Garden School in Ethiopia, which offers literacy classes for women, as well as elementary students.

We'd like to share this testimony of a mother from WFWP-supported One Hope Garden School:

"I truly had a hard time before I met One Hope Garden. I even thought about drinking poison to end my life, while all the family was sleeping, so they would think I had died in my sleep. But something in my mind told me that I should think of my 6 children: **who would take care of them?**

Today, thanks to the school, I have overcome those difficult times, and my

children are really thinking to help me for all the sacrifices. For example, one of my daughters is studying Civil Engineering. All of my children are going to school. Thanks to One Hope Garden, I can now read the Bible in Amharic. Before, I could not even open the Bible. One Hope Garden is like my home."

We are able to continue WFWP Schools of Africa, which provides education and brighter futures to sisters and brothers in Africa, **thanks to member support of WFWP**. Will you join us today and empower women to make a difference for their families and communities?

Thank you so much for any support you can give!

Wishing you joy and serenity,

Angelika Selle and the
WFWP team
