Living by the Logic of Love

Dear Friends and Families of WFWP USA,

In the spirit of our vision to empower, collaborate, impact: toward a culture of heart, we would like to bring your attention to a great resource of the efforts from the [High Noon organization](#) to inspire young and old to pursue a life of integrity.

On April 25-26, 2020, the High Noon team hosted an incredible 24-hour virtual Global Summit, which was made possible by the many knowledgeable guest speakers, testimonies and willing volunteers. The recording of the various sessions are made available and a fantastic resource for anyone who pursues a life with no regret, or as the folks at High Noon say, a life without shadows.

They found their inspiration for their work in these words by Rev. Sun Myung Moon:
“High noon settlement is possible when there is no shadow. When the mind and body become one, the shadow disappears. When a couple becomes one, the shadow disappears. Thus, you should each become a mother or father, husband or wife, and son or daughter who can find high noon settlement.”

Each session was recorded for anyone that missed it or couldn't watch the entire program. The recordings are organized in sections by categories, making it easily accessible to choose your topic of interest. Please take advantage of these recordings and share them with your friends and family who also could benefit for them. Watch all the sessions online at: highnoon.org/courses/global-high-noon-summit/.

Thank you!

Best,
WFWP USA team
