### 5-Session Webinar Series

Starting July 25, 2020, 4:00 - 6:00 PM EST, every other Saturday

Join as an individual, with friends or family members.

**Talking is the most dangerous thing we do and  
Listening the most infrequent.**

Learn a new way of talking and a new way of listening where true connection happens and we can finally communicate!

In a Safe Conversation® we experience the presence of another person who "gets" what we are really saying.

**The 3-step dialogue process empowers you to:  
Talk without criticism  
Listen without judgment  
And connect beyond differences**

**Organized by WFWP Georgia Chapter Members**
