RALLY OF HOPE

Saturday, November 21, 7:30pm EST

Watch at RallyofHope.us

Dear ladies and friends,

We are very happy to announce the **Third One Million International Rally of Hope**, as millions around the globe will tune in again to hear voices of hope, hear from visionary and peace-motivated world leaders, and of course, the forward looking message of the Mother of Peace!

Dr. Hak Ja Han Moon, our esteemed WFWP founder and role model, has been single-handedly leading this movement of hope and movement of "Peace Starts with Me," and she is inviting as many people around the globe as possible to join together for the sake of peace and to find a solution to our common global problems. **She is also calling on humanity, people of faith and, in particular, the Christian Community to acknowledge, affirm and confirm the Presence and ongoing works of a Loving Creator, universally shared virtues and values, and to work together beyond our differences.**

This Saturday, the focus will be on the commemoration of the 70th Anniversary of the start of the Korean War. We will hear from representatives from some of the 16 nations that supported the protection of South Korea and their visions for bringing a Peaceful Reunification of the Korean Peninsula. We will also hear from Dr. Hak Ja Han Moon, the Mother of Peace, on ways to bring real and lasting peace in our time.

Please, join in this historic movement of hope that is in the making, and also share your thoughts and insights about how humanity can come together in HEART.

Click on the link below to register today, and invite your family, friends and colleagues!

Here is to Hope! Cheers!
