Dear Women Leaders, Women of Peace and Mothers,

We are concluding this eventful and challenging year of 2020 with one more GWPN Reflect. Reset. Rebuild. forum on the topic "**Overcoming Hate.**"

Join us to hear from three dynamic and experienced women professionals who will be answering your questions on how to overcome the experience of suffering caused by hate.

In addition, hear from Ms. Deborah Levine on her lifelong commitment to cultural diversity. Her passion stems from her father, a World War II US military intelligence officer assigned to interrogate Nazi prisoners of war. To honor her outstanding accomplishments we will be awarding Ms. Levine with a HerStory Award.
