Your support is making a difference!
It is the wind beneath our wings.

Friends and supporters of WFWP hold our mission close to their hearts: the mission to empower women with knowledge, skills and supportive community to discover their unique value and bring lasting peace.

"This organization is doing the work to create a culture of peace through our hearts. 'When the heart speaks, war is not an option.'" -WFWP donor

You can honor someone dear to you today!

Folks are giving For Greater Peace in memory of those who touched their lives and who worked to create a better world--

"To remember Lee D. Shapiro, who died while filming in Afghanistan to stop the communist threat and support the Afghan refugees." -WFWP donor

Your gift today makes possible leadership training for women, healthy relationship programs, and peace & reconciliation programs, all to forward the Culture of Heart, which the world desperately needs! There is no more fitting tribute to those who have sacrificed for love of humankind, than to carry on their mission of peace.

Yes! I want to support WFWP's peace work!

WFWP is women working together to establish a Culture of Heart in the family, community, nation, and world in order to achieve genuine and sustainable peace under God.

Your love this season of giving will keep us strong in the new year; please share this campaign with friends and family on social media!

Help women share their nurturing and resilient hearts with the world!

"The time has come for humanity to tune our ears to the sound of heaven."

- Dr. Hak Ja Han Moon

This year has been a whirlwind of unexpected challenges. We've had to adapt our daily lives to new circumstances, manage our own stress, and care for our families and communities in new ways. Having a larger community of people dealing with the same challenges, available to us night and day on social media, has been a blessing. There are countless voices and personalities online with advice, resources, and sympathy that we can tap into. But there is one community that we feel is unmatched in providing a place of inner renewal, where women can connect with the big vision of Creating a Culture of Heart: Women's Federation for World Peace USA!

Your kind donation today will ensure that women sharing the Culture of Heart can continue programs like our Global Women's Peace Network Forum series, which brings the wisdom of business and academic leaders, and many others, into the service of a new culture.

This season of giving, our goal is to raise \$20,000 by December 31st. Your support will keep WFWP strong in 2021! Together we can continue to empower women with knowledge, skills, and a supportive community to discover their unique value and create lasting peace.

A few highlights from this year:

- Over 12,000 people received WFWP education through social media, TV, and radio
- Nearly 1,000 people participated in WFWP education programs
- Over \$12,000 was raised by the Northern California chapter for our Schools of Africa
- WFWP Girls in New Jersey delivered “Bags of Love” gifts to healthcare workers
- Partnership with Stand Up to Poverty’s Haiti medical mission trip
- “Turn the Tide” weekly phone prayer circle

Comments from WFWP program participants:

"I am looking forward to this happening growing bigger worldwide. It was fun and brought much happiness to everyone."

"I [am] inspired as a woman. I can't give up. I am a builder of peace that starts with me, my family, and society."
