"When our mindset (and heartset) changes from wishing to receive love, to wishing to give love, the world peace will be at hand."
- Dr. Hak Ja Han Moon

Dear wonderful women of peace and women of faith,

Thank you for sharing in prayer, heart and deep insights at last week's **Interfaith Women's Prayer Circle!** Each and every woman on the line is contributing toward peace, by investing your time, heart and energy toward that noble goal and ideal, we are working for. Please see the recording below.

There is always more to the topic and the words we read during our time of prayer and sharing, so we would like to encourage you to use the reading below to also discuss with your family members over dinner, or with someone over the phone. Why not?

If you would like to receive additional information twice a month, we would like to invite you to sign up on our website to **Become a Friend** and receive our bi-monthly free Logic of Love newsletter at www.wfwp.us/becomeafriend

Till we meet again, Saturday, February 27, 2021 at 1 pm EST!

Stay well, be safe, and smile!

Reading from Saturday, February 13, 2021 from Book Three of Dr. Hak Ja Han Moon's Anthology, pages 173-174:

What is True Love?

"When you enter into a relationship of true love with God, you will be given absolute authority to have dominion, ownership, and the right of inheritance. In the world of mechanics, the energy produced by a system is less than the energy put into it. However, in the world of true love, the energy produced is greater than the energy put in."

"What is True Love? It is love that lives for the sake of others. It is love that gives and forgets without limit. No memory is kept of how much was given. It is love that never tires of giving."
