March 3, 2021

Over the course of two weeks in March each year, the United Nations Commission on the Status of Women (CSW) hosts sessions in tandem with the [NGO CSW Forum](#), with nearly 700 parallel events sponsored by non-governmental organizations (NGOs). These programs aim to inform, engage and inspire grassroots efforts and advocacy needed to empower women and girls.

This year, the NGO CSW65 Forum will be entirely virtual, taking place from Sunday, March 14 until Friday, March 26, 2021. The priority theme for CSW65 is "Women's full and effective participation and decision-making in public life, as well as the elimination of violence, for achieving gender equality and the empowerment of all women and girls."

As part of the NGO CSW65 Forum, Women's Federation for World Peace, International will be sponsoring an exciting parallel event entitled "First Ladies and Emerging Leaders: The Journey of 1325 and Women's Leadership." This program will take place on Friday, March 19, from 9:00 AM – 10:30 AM EST.
