“When our mindset (and heartset) changes from wishing to receive love, to wishing to give love, then world peace will be at hand.”
- Dr. Hak Ja Han Moon

Dear Women Peace Leaders and Women of Faith,

HAPPY WOMEN'S HISTORY MONTH 2021!

It truly is a blessing to be a woman, especially at this time and age! Why? Please, do join our Women's Interfaith Women's Prayer Circle for Peace and Healing for America to find out, and to participate in nurturing discussion and mutual empowerment to truly be(come) the embodiment of the divine feminine aspect of God.

As we prepare for our **Interfaith Women's Prayer Circle for Peace and Healing this Saturday, March 13, 2021 at 1pm EST**, let us together unlock our true power as women.

Kindly read and reflect on the quote below before our prayer session, and be prepared to share any insights or answers, so we may learn from one another.

We invite you to also inspire another friend, family member or colleague to join this circle for peace and healing.

Looking forward to hearing you on the call!

Sincerely in prayer,
Angelika Selle and Rev. Dr. Linda Nishikawa

Reading for Saturday, March 13, 2021, from Mother of Peace, p. 239 (or p. 251):

“The world of the future can be a world of reconciliation and peace, but only if it is based on the maternal love and affection of women. This is the true power of womanhood. The time has come for the power of true womanhood to save the world.”
