

## IAED and WFWP USA: Women Business Leaders Creating a Healthy Economy

Angelika Selle  
March 17, 2021

The world economy has been under great stress due to the global pandemic, disruptions to local communities brought by globalization, pressures on families, a growing wealth gap, and the like. Many feel that women in leadership roles are much needed to help businesses meet these challenges in a balanced way. This program on the ***Role of Women Business Leaders in Creating a Healthy and Sustainable Economy*** will bring women business leaders together to address the challenges of business in promoting Mutual Prosperity, Interdependence, and Universally Shared Values. It will be co-hosted by the Women's Federation for World Peace USA (WFWP) and International Association for Peace and Economic Development (IAED) USA.

The webinar will be held on **Thursday, March 25, from 2 – 3:00 PM EDT**. By registering in advance you will be able to participate in the Zoom call and post questions directly to the presenters. Please [register now](#) to be able to participate in this informative discussion. We look forward to your participation and engagement in this event!

If registration is full, you can join on the [IAED Facebook Live Stream](#) or on the [WFWP Facebook Page](#).
