Dear Women Peace Leaders and Women of Faith,

**We are deeply disturbed by the recent shootings both in Atlanta, GA and also in Bolder, CO. Let us surround the victims and their families in prayer!!**

As we continue our Women's Prayer Circle for Peace and Healing for America, we feel that our coming together like this in prayer and sharing from the heart is now more needed than ever!

Please join us this coming **Saturday, March 27, 2021 at 1 pm ET** again, as the Interfaith Women's Prayer Circle for Peace and Healing reconvenes. Feel free to also invite other family members, friends or colleagues to participate.

Kindly read and reflect on the special quote below before our prayer session, to be prepared to share any insights or answers, so we may learn from one another.

Looking forward to hearing you on the call!

**Sincerely in prayer,**  
**Angelika Selle and Rev. Dr. Linda Nishikawa**

**Reading for Saturday, March 27, 2021, from Mother of Peace by Dr. Hak Ja Han Moon, page 238 (or page 250):**

*"Based upon God's providence, my husband and I have called women to take the lead in the creation of families that embody God's original plan—families in which the wife lives for her husband, the husband for his wife, the parents for their children, and children for their parents. Such a family will overflow with love and God's blessings will come to stay.*

*Women need to walk the path of a true mother and, at the same time, the path of a true wife and the path of a true daughter. Women have the magical power to create harmony and to soften Hearts. Brides build bridges. The world of the future can be a world of reconciliation and peace, but only if it is based on the maternal love and affection of women. This is the true power of womanhood. The time has come for the power of true womanhood to save the world."*
