**Dear friends of WFWP!**

**Thank you so much to everyone who joined the 29th Anniversary Party on April 10 to celebrate nearly three decades of impact, love, service, compassion, and sacrifice by the many women and men who helped make WFWP what it is today. We THANK YOU** for your continuing support of this amazing community of heart! We were joined by WFWP supporters, members, and friends from across the United States, Canada, and even Nicaragua and Uruguay. We shared many wonderful memories of the past 29 years of sisterhood and living for others as women leaders of the heart.

Though we couldn't meet in person, we shared many laughs, smiles, and fun dancing and celebrating together. If you missed the party, the recording is now available at the link below. We also wanted to share with you just a few of the wonder comments that were given by participants in the chat box during the program below.

**The impact we have all experienced from being part of WFWP continues in our hearts.** We are looking forward to continuing to partner with each one of you as we work toward genuine and sustainable peace.

Thank you and God Bless you and your families,  
WFWP USA Team

WOMEN'S FEDERATION FOR WORLD PEACE USA

# 29<sup>th</sup> ANNIVERSARY PARTY

**Osmarina Rush:** WFWP is like a tree with deep roots! Thank you to all the leaders that work from scratch to build peace and the value of women! WFWP has shown me that we are all in the same boat, sailing the same seas, riding the same waves and that we just need to unite and bring into this world the mothers that the world needs....

**Patricia Couweleers:** For me WFWP opened a new chapter of learning and applying the principles of living for the sake of others thanks to all the beautiful sisters as we worked side by side on various projects in the earlier years. True sisterhood still blossoming around the world.

**Marie Bond :** We owe a lot to our wonderful Japanese sisters who left their country, their homes and families and went overseas to serve and to represent WFWP to different cultures and religions bringing peace and love to their community. In 1994, 30 Japanese sisters came to Egypt where I resided in that time. They didn't know the language and even they barely spoke English. But with love and faith, they served the Muslim Community and sacrificed many years to bring peace and love in Egypt, Jordan, Lebanon, Yemen, Sudan and Turkey. So as a Middle Eastern woman, and in the occasion of the 29th anniversary of Women's Federation, I am forever grateful to them.

**Llanelo family:** I was 8 years old in 1992, I helped serve snacks when we have WFWP conference in the Philippines Ilocos Region with my mom, such an amazing experience.
