

WFWP USA: Keep the Schools of Africa project going strong - join today!

Angelika Selle
May 13, 2021

Hello Friend,

We hope this message finds you well. **Women's Federation For World Peace USA** would like to share some information and highlights about a most profound human service project—**Schools of Africa**, information on becoming a WFWP USA member, and how your membership helps build a better world.

We are so delighted to share some of the remarkable projects WFWP women living by the "Logic of Love" have accomplished with you. It is all thanks to the love and support shown by peacebuilders like you!

[Join or renew your WFWP membership today!](#)

As a unique organization that cares for the world's children **with a mother's heart**, Women's

Federation for World Peace (WFWP) initiated the Schools of Africa Project. WFWP USA chapters and members across the United States organize, innovate, and engage by creating events and projects to raise funds for educational initiatives in numerous African nations.

A WFWP USA membership supports local chapters that raise funds for service projects such as Schools of Africa, which **brings vital educational resources** to some of the world's most educationally underprivileged children.

Schools of Africa Highlights:

- **WFWP Northern California 2020 Annual Benefit** for the Schools of Africa Project held a drive-by-pie benefit where fourteen women baked delicious delicacies to give to supporters
- **WFWP Montana Benefit Yard Sale** for Schools of Africa united to bring hope to children and their families in African nations by following organizing a yard sale where shoppers, friends, and neighbors gathered and gave generously to support Schools of Africa children
- **The Sun of Mozambique Secondary School of Africa** shared heartfelt gratitude to WFWP USA donors for generous support to the education program that has impacted the lives of over 12,000 graduates
- **WFWP Northern California Annual Schools of Africa Benefit** educated the next generation of peacebuilders and raised funds to continue to provide much-needed school supplies for the **ten schools that WFWP supports in eight African countries**

“Globally, 58 million children of primary age were not in school in 2012. Out of that number, 65% were in Africa. And half of all African children will never see a classroom.”

All of the amazing highlights we have shared were reached with support from peacebuilders like you—**you make the difference!**

There is no better time to become a WFWP USA member and support efforts to make

children and education a priority. Let's work together to bring lasting peace through the "Logic of Love"!

Will you help us lay **Cornerstones of Peace for 2021** and beyond by joining as a WFWP member?
